INVITATION FOR BID

INVITATION FOR BID

INSTRUCTIONS TO BIDDERS

INSTRUCTIONS TO BIDDERS

A. GENERAL

IB.1 Scope of Bid

- 1.1 The Employer as defined in the Bidding Data hereinafter called "the Employer" wishes to receive bids for the construction and completion of works as described in these Bidding Documents, and summarised in the Bidding Data hereinafter referred to as the "Works".
- 1.2 The successful bidder will be expected to complete the Works within the time specified in Appendix-A to Bid.

IB.2 Source of Funds

- 2.1 The Employer has applied for / received a loan / credit from the source (s) indicated in the Bidding Data in various currencies towards the cost of the project specified in the Bidding Data and it is intended that part of the proceeds of this loan/credit will be applied to eligible payments under the Contract for which these Bidding Documents are issued.

IB.3 Eligible Bidders

- 3.1 This Invitation for Bids is open to all bidders fulfilling the requirements as required by **Project Director (SIBAU)** and as mentioned in the Bidding Data.
 - a. Duly licensed by the Pakistan Engineering Council (PEC) in the category **C-4** and above and appropriate specialization code relevant to the value of the Works as required by the Public School Hyderabad (SIABU).

IB.4 One Bid per Bidder

- 4.1 Each bidder shall submit only one bid either by himself, or as a partner in a joint venture. A bidder who submits or participates in more than one bid (other than alternatives pursuant to Clause IB.16) will be disqualified.

IB.5 Cost of Bidding

- 5.1 The bidders shall bear all costs associated with the preparation and submission of their respective bids and the Employer will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process.

IB.6 Site Visit

- 6.1 The bidders are advised to visit and examine the Site of Works and its surroundings and obtain for themselves on their own responsibility all information that may be necessary for preparing the bid and entering into a contract for construction of the Works. All cost in this respect shall be at the bidder's own expense.
- 6.2 The bidders and any of their personnel or agents will be granted permission by the Employer to enter upon his premises and lands for the purpose of such inspection, but only upon the express condition that the bidders, their personnel and agents, will release and indemnify the Employer, his personnel and agents from and against all liability in respect thereof and will be responsible for death or personal injury, loss of or damage to property and any other loss, damage, costs and expenses incurred as a result of such inspection.

B. BIDDING DOCUMENTS

IB.7 Contents of Bidding Documents

- 7.1 The Bidding Documents, in addition to invitation for bids, are those stated below and should be read in conjunction with any Addenda issued in accordance with Clause IB.9.
1. Instructions to Bidders.
 2. Bidding Data.
 3. General Conditions of Contract, Part-I (GCC).
 4. Particular Conditions of Contract, Part-II (PCC).
 5. Specifications – Special Provisions.
 6. Specifications - Technical Provisions.
 7. Form of Bid & Appendices to Bid.
 8. Bill of Quantities (Appendix-D to Bid).
 9. Form of Bid Security.
 10. Form of Contract Agreement.
 11. Forms of Performance Security and Mobilization Advance Guarantee/Bond.
 12. Drawings.
- 7.2 The bidders are expected to examine carefully the contents of all the above documents. Failure to comply with the requirements of bid submission will be at the Bidder's own risk. Pursuant to Clause IB.26, bids which are not substantially responsive to the requirements of the Bidding Documents will be rejected.

IB.8 Clarification of Bidding Documents

- 8.1 Any prospective bidder requiring any clarification (s) in respect of the Bidding Documents may notify the Employer in writing at the Employer's address indicated in the Invitation for Bids. The Employer will respond to any request for clarification which he receives earlier than 07 (seven) days prior to the deadline for submission of bids.

Copies of the Employer's response will be forwarded to all purchasers of the Bidding Documents, including a description of the enquiry but without identifying its source.

IB.9 Amendment of Bidding Documents

- 9.1 At any time prior to the deadline for submission of bids, the Employer may, for any reason, whether at his own initiative or in response to a clarification requested by a prospective bidder, modify the Bidding Documents by issuing addendum.
- 9.2 Any addendum thus issued shall be part of the Bidding Documents pursuant to Sub-Clause 7.1 hereof and shall be communicated in writing to all purchasers of the Bidding Documents. Prospective bidders shall acknowledge receipt of each addendum in writing to the Employer.
- 9.3 To afford prospective bidders reasonable time in which to take an addendum into account in preparing their bids, the Employer may extend the deadline for submission of bids in accordance with Clause IB.20

C. PREPARATION OF BIDS

IB.10 Language of Bid

- 10.1 The bid and all correspondence and documents related to the bid exchanged by a bidder and the Employer shall be in the bid language stipulated in the Bidding Data and Particular Conditions of Contract. Supporting documents and printed literature furnished by the bidders may be in any other language provided the same are accompanied by an accurate translation of the relevant parts in the bid language, in which case, for purposes of evaluation of the bid, the translation in bid language shall prevail.

IB.11 Documents Accompanying the Bid

- 11.1 Each bidder shall:
- (a) submit a written power of attorney authorizing the signatory of the bid to act for and on behalf of the bidder;

(b) update the information indicated and listed in the Bidding Data and previously submitted with the application for prequalification, and continue to meet the minimum criteria set out in the prequalification documents which as a minimum, would include the following :

- (i) Evidence of access to financial resources alongwith average annual construction turnover;
- (ii) Financial predictions for the current year and the two following years including the effect of known commitments;
- (ii) Work commitments since prequalification;
- (iv) Current litigation information; and
- (v) Availability of critical equipment.

and

(c) furnish a technical proposal taking into account the various Appendices to Bid specially the following:

- | | |
|-------------------|--|
| Appendix-E to Bid | Proposed Construction Schedule |
| Appendix-F to Bid | Method of Performing the Work |
| Appendix-G to Bid | List of Major Equipment |
| Appendix-K to Bid | Organization Chart for Supervisory Staff
and other pertinent information such as mobilization programme
etc; |

11.2 Bids submitted by a joint venture of two (2) or more firms shall comply with the following requirements:

- (a) the bid and in case of a successful bid, the Form of Contract Agreement shall be signed so as to be legally binding on all partners;
- (b) one of the joint venture partners shall be nominated as being in charge; and this authorization shall be evidenced by submitting a power of attorney signed by legally authorized signatories of all the joint venture partners;

- (c) the partner-in-charge shall always be duly authorized to deal with the Employer regarding all matters related with and/or incidental to the execution of Works as per the terms and Conditions of Contract and in this regard to incur any and all liabilities, receive instructions, give binding undertakings and receive payments on behalf of the joint venture;
- (d) all partners of the joint venture shall at all times and under all circumstances be liable jointly and severally for the execution of the Contract in accordance with the Contract terms and a statement to this effect shall be included in the authorization mentioned under Sub-Para(b) above as well as in the Form of Bid and in the Form of Contract Agreement (in case of a successful bid); and
- (e) a copy of the agreement entered into by the joint venture partners shall be submitted with the bid stating the conditions under which it will function, its period of duration, the persons authorized to represent and obligate it and which persons will be directly responsible for due performance of the Contract and can give valid receipts on behalf of the joint venture, the proportionate participation of the several firms forming the joint venture, and any other information necessary to permit a full appraisal of its functioning. No amendments / modifications whatsoever in the joint venture agreement shall be agreed to between the joint venture partner without prior written consent of the Employer.

11.3 Bidders shall also submit proposals of work methods and schedule, in sufficient detail to demonstrate the adequacy of the Bidders' proposals to meet the technical specifications and the completion time referred to in Sub-Clause 1.2 hereof.

IB.12 Bid Prices

- 12.1 Unless stated otherwise in the Bidding Documents, the Contract shall be for the whole of the Works as described in Sub-Clause 1.1 hereof, based on the unit rates and / or prices submitted by the bidder.
- 12.2 The bidders shall fill in rates and prices for all items of the Works described in the Bill of Quantities. Items against which no rate or price is entered by a bidder will not be paid for by the Employer when executed and shall be deemed covered by rates and prices for other items in the Bill of Quantities.

- 12.3 All duties, taxes and other levies payable by the Contractor under the Contract, or for any other cause, as on the date 28 days prior to the deadline for submission of bids shall be included in the rates and prices and the total Bid Price submitted by a bidder.

Additional / reduced duties, taxes and levies due to subsequent additions or changes in legislation shall be reimbursed / deducted as per Sub-Clause 70.2 of the General Conditions of Contract Part-I.

- 12.4 The rates and prices quoted by the bidders are subject to adjustment during the performance of the Contract in accordance with the provisions of Clause 70 of the Conditions of Contract. The bidders shall furnish the prescribed information for the price adjustment formulae in Appendix-C to Bid, and shall submit with their bids such other supporting information as required under the said Clause.

IB.13 Currencies of Bid and Payment

- 13.1 The unit rates and the prices shall be quoted by the bidder entirely in Pak rupees. A bidder expecting to incur expenditures in other currencies for inputs to the Works supplied from outside the Employer's country (referred to as the "Foreign Currency Requirements") shall indicate the same in Appendix-B to Bid. The proportion of the Bid Price (excluding Provisional Sums) needed by him for the payment of such Foreign Currency Requirements either (i) entirely in the currency of the Bidder's home country or, (ii) at the bidder's option, entirely in Pak rupees provided always that a bidder expecting to incur expenditures in a currency or currencies other than those stated in (i) and (ii) above for a portion of the foreign currency requirements, and wishing to be paid accordingly, shall indicate the respective portions in his bid.

- 13.2 The rates of exchange to be used by the bidder for currency conversion shall be the TT&OD Selling Rates published or authorized by the State Bank of Pakistan prevailing on the date 28 days prior to the deadline for submission of bids.

For the purpose of payments, the exchange rates used in bid preparation shall apply for the duration of the Contract.

IB.14 Bid Validity

- 14.1 Bids shall remain valid for the period stipulated in the Bidding Data after the Date of Bid Opening specified in Clause IB.23.
- 14.2 In exceptional circumstances, prior to expiry of the original bid validity period, the Employer may request that the bidders extend the period of validity for a specified additional period which shall in no case be more than the original bid validity period. The request and the responses thereto shall be made in writing. A bidder may refuse the request without forfeiting his Bid Security. A bidder agreeing to the request will not be required or permitted to modify his bid, but will be required to extend the validity of his Bid Security for the period of the extension, and in compliance with Clause IB.15 in all respects.

IB.15 Bid Security

- 15.1 Each bidder shall furnish, as part of his bid, a Bid Security in the amount stipulated in the Bidding Data in Pak Rupees or an equivalent amount in a freely convertible currency.
- 15.2 The Bid Security shall be, at the option of the bidder, in the form of Deposit at Call or a Bank Guarantee issued by a Scheduled Bank in Pakistan or from a foreign bank duly counter guaranteed by a Scheduled Bank in Pakistan valid for a period 28 days beyond the Bid Validity date.
- 15.3 Any bid not accompanied by an acceptable Bid Security shall be rejected by the Employer as non-responsive.
- 15.4 The bid securities of unsuccessful bidders will be returned as promptly as possible, but not later than 28 days after the expiration of the period of Bid Validity.
- 15.5 The Bid Security of the successful bidder will be returned when the bidder has furnished the required Performance Security and signed the Contract Agreement.
- 15.6 The Bid Security may be forfeited:
 - (a) if the bidder withdraws his bid except as provided in Sub-Clause 22.1;
 - (b) if the bidder does not accept the correction of his Bid Price pursuant to Sub-Clause 27.2 hereof; or
 - (c) In the case of successful bidder, if he fails within the specified time limit to:
 - (i) furnish the required Performance Security; or
 - (ii) Sign the Contract Agreement.

IB.16 Alternate Proposals by Bidder

- 16.1 Should any bidder consider that he can offer any advantages to the Employer by a modification to the designs, specifications or other conditions, he may, in addition to his bid to be submitted in strict compliance with the Bidding Documents, submit any Alternate Proposal(s) containing (a) relevant design calculations; (b) technical specifications; (c) proposed construction methodology; and (d) any other relevant details / conditions, provided always that the total sum entered on the Form of Bid shall be that which represents complete compliance with the Bidding Documents.
- 16.2 Alternate Proposal(s), if any, of the lowest evaluated responsive bidder only may be considered by the Employer as the basis for the award of Contract to such bidder.

IB.17 Pre-Bid Meeting

- 17.1 The Employer may, on his own motion or at the request of any prospective bidder(s), hold a pre-bid meeting to clarify issues and to answer any questions on matters related to the Bidding Documents. The date, time and venue of pre-bid meeting, if convened, is as stipulated in the Bidding Data. All prospective bidders or their authorized representatives shall be invited to attend such a pre-bid meeting.
- 17.2 The bidders are requested to submit questions, if any, in writing so as to reach the Employer not later than seven (7) days before the proposed pre-bid meeting.
- 17.3 Minutes of the pre-bid meeting, including the text of the questions raised and the replies given, will be transmitted without delay to all purchasers of the Bidding Documents. Any modification of the Bidding Documents listed in Sub-Clause 7.1 hereof which may become necessary as a result of the pre-bid meeting shall be made by the Employer exclusively through the issue of an Addendum pursuant to Clause IB.9 and not through the minutes of the pre-bid meeting.
- 17.4 Absence at the pre-bid meeting will not be a cause for disqualification of a bidder.

IB.18 Format and Signing of Bid

- 18.1 Bidders are particularly directed that the amount entered on the Form of Bid shall be for performing the Contract strictly in accordance with the Bidding Documents.

- 18.2 All appendices to Bid are to be properly completed and signed.
- 18.3 No alteration is to be made in the Form of Bid nor in the Appendices thereto except in filling up the blanks as directed. If any such alterations be made or if these instructions be not fully complied with, the bid may be rejected.
- 18.4 Each bidder shall prepare by filling out the forms completely and without alterations one (1) original and number of copies, specified in the Bidding Data, of the documents comprising the bid as described in Clause IB.7 and clearly mark them "ORIGINAL" and "COPY" as appropriate. In the event of discrepancy between them, the original shall prevail.
- 18.5 The original and all copies of the bid shall be typed or written in indelible ink (in the case of copies, Photostats are also acceptable) and shall be signed by a person or persons duly authorized to sign on behalf of the bidder pursuant to Sub- Clause 11.1(a) hereof. All pages of the bid shall be initialled and stamped by the person or persons signing the bid.
- 18.6 The bid shall contain no alterations, omissions or additions, except to comply with instructions issued by the Employer, or as are necessary to correct errors made by the bidder, in which case such corrections shall be initialed by the person or persons signing the bid.
- 18.7 Bidders shall indicate in the space provided in the Form of Bid their full and proper addresses at which notices may be legally served on them and to which all correspondence in connection with their bids and the Contract is to be sent.
- 18.8 Bidders should retain a copy of the Bidding Documents as their file copy.

D. SUBMISSION OF BIDS

IB.19 Sealing and Marking of Bids

- 19.1 Each bidder shall submit his bid as under:
 - (a) ORIGINAL and each copy of the Bid shall be separately sealed and put in separate envelopes and marked as such.
 - (b) The envelopes containing the ORIGINAL and copies will be put in one sealed envelope and addressed / identified as given in Sub- Clause 19.2 hereof.

- 19.2 The inner and outer envelopes shall:
- (a) be addressed to the Employer at the address provided in the Bidding Data;
 - (b) bear the name and identification number of the contract as defined in the Bidding Data; and
 - (c) provide a warning not to open before the time and date for bid opening, as specified in the Bidding Data.
- 19.3 In addition to the identification required in Sub- Clause 19.2 hereof, the inner envelope shall indicate the name and address of the bidder to enable the bid to be returned unopened in case it is declared "late" pursuant to Clause IB.21
- 19.4 If the outer envelope is not sealed and marked as above, the Employer will assume no responsibility for the misplacement or premature opening of the Bid.

IB.20. Deadline for Submission of Bids

- 20.1 (a) Bids must be received by the Employer at the address specified no later than the time and date stipulated in the Bidding Data.
- (b) Bids with charges payable will not be accepted, nor will arrangements be undertaken to collect the bids from any delivery point other than that specified above. Bidders shall bear all expenses incurred in the preparation and delivery of bids. No claims will be entertained for refund of such expenses.
 - (c) Where delivery of a bid is by mail and the bidder wishes to receive an acknowledgment of receipt of such bid, he shall make a request for such acknowledgment in a separate letter attached to but not included in the sealed bid package.
 - (d) Upon request, acknowledgment of receipt of bids will be provided to those making delivery in person or by messenger.
- 20.2 The Employer may, at his discretion, extend the deadline for submission of bids by issuing an amendment in accordance with Clause IB.9, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will thereafter be subject to the deadline as extended.

IB.21 Late Bids

- 21.1 (a) Any bid received by the Employer after the deadline for submission of bids prescribed in Clause IB.20 will be returned unopened to such bidder.
- (b) Delays in the mail, delays of person in transit, or delivery of a bid to the wrong office shall not be accepted as an excuse for failure to deliver a bid at the proper place and time. It shall be the bidder's responsibility to determine the manner in which timely delivery of his bid will be accomplished either in person, by messenger or by mail.

IB.22 Modification, Substitution and Withdrawal of Bids

- 22.1 Any bidder may modify, substitute or withdraw his bid after bid submission provided that the modification, substitution or written notice of withdrawal is received by the Employer prior to the deadline for submission of bids.
- 22.2 The modification, substitution, or notice for withdrawal of any bid shall be prepared, sealed, marked and delivered in accordance with the provisions of Clause IB.19 with the outer and inner envelopes additionally marked "MODIFICATION", "SUBSTITUTION" or "WITHDRAWAL" as appropriate.
- 22.3 No bid may be modified by a bidder after the deadline for submission of bids except in accordance with Sub-Clauses 22.1 and 27.2.
- 22.4 Withdrawal of a bid during the interval between the deadline for submission of bids and the expiration of the period of bid validity specified in the Form of Bid may result in forfeiture of the Bid Security in pursuance to Clause IB.15.

E. BID OPENING AND EVALUATION

IB.23. Bid Opening (Single Stage Two Envelopes) SSTE

- 23.1 The Employer will open the bids, including withdrawals, substitution and modifications made pursuant to Clause IB.22, in the presence of bidders' representatives who choose to attend, at the time, date and location stipulated in the Bidding Data. The bidders' representatives who are present shall sign a register evidencing their attendance.

23.2 Envelopes marked "MODIFICATION", "SUBSTITUTION" or "WITHDRAWAL" shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause IB.22 shall not be opened.

23.3 The bidder's name, total Bid Price and price of any Alternate Proposal(s), any discounts, bid modifications, substitution and withdrawals, the presence or absence of Bid Security, and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening of bids.

23.4 Employer shall prepare minutes of the bid opening, including the information disclosed to those present in accordance with the Sub-Clause 23.3.

23.5 **SINGLE STAGE – TWO ENVELOPE PROCEDURE.-**

The bid shall comprise a single package containing two separate envelopes. Each envelope shall contain separately the financial proposal and the technical proposal;

the envelopes shall be marked as "FINANCIAL PROPOSAL" and "TECHNICAL PROPOSAL" in bold and legible letters to avoid confusion;

initially, only the envelope marked "TECHNICAL PROPOSAL" shall be opened;

the envelope marked as "FINANCIAL PROPOSAL" shall be retained in the custody of the procuring agency without being opened; the procuring agency shall evaluate the technical proposal in a manner prescribed in advance, without reference to the price and reject any proposal which does not conform to the specified requirements;

during the technical evaluation no amendments in the technical proposal shall be permitted;

the financial proposals of bids shall be opened publicly at a time, date and venue announced and communicated to the bidders in advance;

after the evaluation and approval of the technical proposal the procuring agency, shall at a time within the bid validity period, publicly open the financial proposals of the technically accepted bids only. The financial proposal of bids found technically non-

responsive shall be returned un-opened to the respective bidders; and the bid found to be the lowest evaluated bid shall be accepted.

IB.24. Process to be Confidential

- 24.1 Information relating to the examination, clarification, evaluation and comparison of bid and recommendations for the award of a contract shall not be disclosed to bidders or any other person not officially concerned with such process before the announcement of bid evaluation report which shall be done at least ten (10) days prior to issue of Letter of Acceptance. The announcement to all Bidders will include table(s) comprising read out prices, discounted prices, price adjustments made, final evaluated prices and recommendations against all the bids evaluated. Any effort by a bidder to influence the Employer's processing of bids or award decisions may result in the rejection of such bidder's bid. Whereas any bidder feeling aggrieved may lodge a written complaint not later than fifteen (15) days after the announcement of the bid evaluation report; however mere fact of lodging a complaint shall not warrant suspension of the procurement process.

IB.25 Clarification of Bids

- 25.1 To assist in the examination, evaluation and comparison of bids, the Employer may, at his discretion, ask any bidder for clarification of his bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing but no change in the price or substance of the bid shall be sought, offered or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the bids in accordance with Clause IB.28.

IB.26 Examination of Bids and Determination of Responsiveness

- 26.1 Prior to the detailed evaluation of bids, the Employer will determine whether each bid is substantially responsive to the requirements of the Bidding Documents.
- 26.2 A substantially responsive bid is one which (i) meets the eligibility criteria; (ii) has been properly signed; (iii) is accompanied by the required Bid Security; and (iv) conforms to all the terms, conditions and specifications of the Bidding Documents, without material deviation or reservation. A material deviation or reservation is one (i) which affect in any substantial way the scope, quality or performance of the Works; (ii) which limits in any substantial way, inconsistent with the Bidding Documents, the

- 26.3 Employer's rights or the bidder's obligations under the Contract; or (iii) adoption/rectification whereof would affect unfairly the competitive position of other bidders presenting substantially responsive bids.
- 26.4 If a bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

IB.27 Correction of Errors

- 27.1 Bids determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:
- (a) where there is a discrepancy between the amounts in figures and in words, the amount in words will govern; and
 - (b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern, unless in the opinion of the Employer there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line item total as quoted will govern and the unit rate will be corrected.
- 27.2 The amount stated in the Form of Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and with the concurrence of the bidder, shall be considered as binding upon the bidder. If the bidder does not accept the corrected Bid Price, his Bid will be rejected, and the Bid Security shall be forfeited in accordance with Sub- Clause 15.6(b) hereof.

IB.28 Evaluation and Comparison of Bids

- 28.1 The Employer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Clause IB.26.
- 28.2 In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:
- (a) making any correction for errors pursuant to Clause IB.27;
 - (b) excluding Provisional Sums and the provision, if any, for contingencies in the Summary Bill of Quantities, but including competitively priced Daywork; and

- (c) making an appropriate adjustment for any other acceptable variation or deviation.
- 28.3 The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in Bid evaluation.
- 28.4 If the Bid of the successful bidder is seriously unbalanced in relation to the Employer's estimate of the cost of work to be performed under the Contract, the Employer may require the bidder to produce detailed price analyses for any or all items of the Bill of Quantities to demonstrate the internal consistency of those prices with the construction methods and schedule proposed. After evaluation of the price analyses, the Employer may require that the amount of the Performance Security set forth in Clause IB.32 be increased at the expense of the successful bidder to a level sufficient to protect the Employer against financial loss in the event of default of the successful bidder under the Contract.

F. AWARD OF CONTRACT

IB.29 Award

- 29.1 Subject to Clauses IB.30 and IB.34, the Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the Bidding Documents and who has offered the lowest evaluated Bid Price, provided that such bidder has been determined to be eligible in accordance with the provisions of Clause IB.3 and qualify pursuant to Sub-Clause IB 29.2.
- 29.2 The Employer, at any stage of the bid evaluation, having credible reasons for or *prima facie* evidence of any defect in supplier's or contractor's capacities, may require the suppliers or contractors to provide information concerning their professional, technical, financial, legal or managerial competence whether already pre-qualified or not:

Provided that such qualification shall only be laid down after recording reasons therefor in writing. They shall form part of the records of that bid evaluation report.

IB.30 Employer's Right to Accept any Bid and to Reject any or all Bids

- 30.1 Notwithstanding Clause IB.29, the Employer reserves the right to accept or reject any Bid, and to annul the bidding process and reject all bids, at any time prior to award of Contract, without

thereby incurring any liability to the affected bidders or any obligation except that the grounds for rejection of all bids shall upon request be communicated to any bidder who submitted a bid, without justification of grounds. Rejection of all bids shall be notified to all bidders promptly.

IB.31 Notification of Award

- 31.1 Prior to expiration of the period of bid validity prescribed by the Employer, the Employer will notify the successful bidder in writing ("Letter of Acceptance") that his Bid has been accepted. This letter shall name the sum which the Employer will pay the Contractor in consideration of the execution and completion of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Conditions of Contract called the "Contract Price").
- 31.2 No Negotiation with the bidder having evaluated as lowest responsive or any other bidder shall be permitted, however, Employer may have clarification meetings to get clarify any item in the bid evaluation report.
- 31.3 The notification of award and its acceptance by the bidder will constitute the formation of the Contract, binding the Employer and the bidder till signing of the formal Contract Agreement.
- 31.3 Upon furnishing by the successful bidder of a Performance Security, the Employer will promptly notify the other bidders that their Bids have been unsuccessful and return their bid securities.

IB.32 Performance Security

- 32.1 The successful bidder shall furnish to the Employer a Performance Security in the form and the amount stipulated in the Bidding Data and the Conditions of Contract within a period of 28 days after the receipt of Letter of Acceptance.
- 32.2 Failure of the successful bidder to comply with the requirements of Sub-Clause IB.32.1 or Clauses IB.33 or IB.35 shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security.

IB.33 Signing of Contract Agreement

- 33.1 Within 14 days from the date of furnishing of acceptable Performance Security under the Conditions of Contract, the Employer will send the successful bidder the Contract Agreement in the form provided in the Bidding Documents, incorporating all agreements between the parties.

33.2 The formal Agreement between the Employer and the successful bidder shall be executed within 14 days of the receipt of the Contract Agreement by the successful bidder from the Employer.

IB.34 General Performance of the Bidders

The Employer reserves the right to obtain information regarding performance of the bidders on their previously awarded contracts/works. The Employer may in case of consistent poor performance of any Bidder as reported by the employers of the previously awarded contracts, interalia, reject his bid and/or refer the case to the Pakistan Engineering Council (PEC). Upon such reference, PEC in accordance with its rules, procedures and relevant laws of the land take such action as may be deemed appropriate under the circumstances of the case including black listing of such Bidder and debarring him from participation in future bidding for similar works.

IB.35 Integrity Pact

The Bidder shall sign and stamp the Integrity Pact provided at Appendix-L to Bid in the Bidding Documents for all Federal Government procurement contracts exceeding Rupees ten million. Failure to provide such Integrity Pact shall make the bidder non-responsive.

IB.36 Instructions not Part of Contract

Bids shall be prepared and submitted in accordance with these Instructions which are provided to assist bidders in preparing their bids, and do not constitute part of the Bid or the Contract Documents.

BIDDING DATA

1.1 Name and address of the Employer:

The Employer is **Public School Hyderabad (Managed by SUKKUR IBA University)**.

Address: **Public School Hyderabad**

Phone No: 022-9260404

Email: _____

Name of the Project & Summary of the Works:

Miscellaneous Immediate Works of Public School Hyderabad

The works involves (i)a. Construction of Office Mess / Ground Floor (ii)b. Guest House / First Floor (iii). Flats (Grade-19) G+2 (iv). Flats (Grade-17-18) G+2 (v). Flats (Grade-15-16) G+2 (vi). Flats (Grade-11-14) G+2 (vii). Flats (Grade-1-10) G+2 including execution of Civil, Plumbing & Electrical Work and related works in accordance with the Design, Drawings, Technical Specifications, Bill of Quantities and instructions of the Client / Consultant with special emphasis on Quantity and Quality control ethics.

- (i) Valid registration certificate of PEC in the category **C-4** or above and in discipline **CE-09, CE-10, & EE-11** valid up to 30th June 2021 along with CV of Engineer, PEC registration.
- (ii) Registration certificates from Income Tax (FBR), Sales Tax (if required) and Sindh Revenue Board along with Tax Returns of last three years
- (iii) Documentary Evidence / Work orders of minimum last 05 years of similar nature or work of category **CE-09, CE-10, & EE-11** completed within last five years completion certificates.
- (iv) Bank Statement of last one year.
- (v) Financial Status Assessment. The applicant is required to submit audited financial statement by a chartered accountant firm for last three years.
- (vi) Complete Company / Firm Profile with details of projects of similar natures, list of employees and equipment. Complete details of machinery on Company's letter head and duly signed.

BD-4

- (vii) Affidavit of the contractors / firms that they are not involved in any litigation, departmental rift or abandoned or unnecessary delayed completion of any work in the Government and as well as in private organization.
- (viii) Physical presentation of the professional staff and other original document as deemed by the prequalification / procurement committee will be responsibility of the applicant as and when requested. In the case of failure the firm / company will not be considered.

(Attach all certificates and affidavit of not being blacklisted)

Aggregate Qualifying Score is 70%, but it is mandatory to obtain at least 40% in each of the following sections.

(A) Company Profile.

- i. Period since Firm/Contractor is in construction business **10 Marks**
- Up to 3 years 05 Marks
- Up to 5 years 08 Marks
- Above 8 years 10 Marks
- (Attach PEC license for each year)*
- ii. **Office facilities** **05 Marks**
- In Sindh Region 04 Marks
- In any other province 01 Mark

(B) General Experience Record **35 Marks**

- i. Projects of similar nature and complexity completed over last 05 years **20 Marks**
- Work costing Rs. 50 Million and above shall be considered.
- (5 Marks for each project)
- (Attach satisfactory completion certificates)*
- ii. Projects of similar nature and complexity in hand. **15 Marks**
- Work costing Rs. 50 Million and above shall be considered.
- (5 Marks for each project)
- (Attach copies of work orders)*

(C) Personnel Capabilities required for this project **20 Marks**

Requirement of persons will vary from Project to Project.

Following factors may be used as a guideline:

Sr. No.	Description/Position with qualification & experience	Number Required	Marks assigned	Remarks
1.	BSc (Civil Engg.) /BE(Civil) Engineers registered with Pakistan Engineering Council (PEC) with experience of 5 years or above.	1 No.	10	03 Marks for experience of 5 to 10 years. 09 Marks for above 10 years. 1 additional Mark for MSc (Civil Engg:)/M.E.(Civil)
2.	Diploma in Civil Engineering, with experience of 4 years or above.	02	10	03 Marks for 4 years experience, 05 Marks for above 4 years.

(D) Equipment Capability**10 Marks**

- (a) Critical equipment and number required for the Project shall be specified by the Procuring Agency.
- (b) High value equipment should be an option to own, lease or hire.
- (c) Total equipment available with the applicant is to be listed along with its current mobilization on on-going projects.

(Details are to be provided in the attached form)

(E) Financial Soundness /Status**20 Marks**

For Financial Status assessment, the Applicants may be required to submit Audited Financial Statements for the last 3 years or any other document which verifies their Financial Status. Where necessary, the Procuring Agency will make enquiries with the firm's/contractor's bankers.

Working Capital in hand for this project/work (Attach proof of Bank Statement/Credit Facilities)

- | | | |
|------|--|----------|
| i. | Less than 20% of Estimated Cost of this Work | 04 Marks |
| ii. | 21 - 30% of Estimated Cost of this Work | 08 Marks |
| iii. | 31 - 45% of Estimated Cost of this Work | 16 Marks |
| iv. | More than 45% of Estimated Cost of this Work | 20 Marks |

Required Documents: It must include following information/documents:-

(A) Firm/Contractor having been in business of construction at least for 5 years.

(B) Experience and past performance.

- (i) Have completed Two (2) similar assignments having cost of each at least 50% of the project in the last five (5) years.

- (ii) Have executed at least one (1) project in similar geographical condition in last five (5) years. (Attach performance certificates of completed projects).

(C) Key Personnel Qualification & Experience.

(Requirement will vary from assignment to assignment).

- (i) **Site Engineer:** Qualification: BE (Civil), Number: One (1).
Experience: Two (2) similar assignments,
Seven (7) year experience
- (ii) **Sub Engineer / Supervisor:** Qualification: Diploma in Civil, Number: Two (2).
Experience: One (1) similar assignment,
Three (3) year experience
(Brief CVs of personnel to be attached)

(D) Equipments:

(a) *As mentioned below.*

- (b). High value equipment should be an option to own, lease or hire.
- (c) Total equipment available with the applicant is to be listed along with its current mobilization on on-going projects.

(Details are to be provided in the attached form)

(E) Financial:

- (i) Documentary evidence of financial position, bank statement of One (01) year and audited accounts of the last Three (03) year.
- (ii) Average Annual turnover of the last One year should not be less than twice the cost of work.

(F) Any other information:

Please attach any other related additional information / documents which shall not discriminate among contractors / firms.

Contractors/firms who fail to qualify in any of the above sections shall be disqualified from the prequalification process.

Equipment's Capability

10 Marks

The Applicant should own or have assured access to (through rented / Lease. Purchase agreement or other means). The following key equipment (limited to any major items of equipment) in full working order and must demonstrate that based on known commitments, there will be available for deployment on the proposed contract or works. The applicant may also list alternative equipment which he would proposed for the contract together with an explanation of the alternate proposal.

S.NO	EQUIPMENT TYPE & CHARACTERISTICS	REQUIRED (NO.)	POINTS
1.	Plate Compactor / Roller	1	1
2.	Vibrator	1	1
3.	Welding Plant	1	0.5
4.	Compressor	1	0.5
5.	Generator (5 KVA)	1	0.5
6.	Survey Equipment	1	0.5
7.	Concrete Mixture Machine	1	1
8.	Form Work / Shuttering	15,000 Sft	1
9.	Vehicles	1	0.5
11.	Water Pumps	2	0.5
12.	Water Bowser	1	1
13.	Excavator	1	1
14.	Dumper	1	0.5
15.	Steel Metal Working Machine	1	0.5
	Total Points		10

G. INSTRUCTIONS FOR JOINT VENTURES FIRMS / COMPANIES

- i. Bidding documents should be signed by all Partners or Lead Partners should have valid Power of Attorney duly signed by all members of the Consortium.
- ii. Joint Venture consortium should have legal valid agreement on prescribed format of Pakistan Engineering Council.
- iii. One of the Joint Venture Partner should meet the PEC requisite Category limit.
- iv. The lead member should obtain at least 50% marks.
- v. Both firm participating as JV should submit affidavit on non-judicial Stamp Paper separately / individually that their firms have not been involved in any litigation nor blacklisted from any organization, government, semi government and autonomous bodies etc.

Bids submitted by a joint venture of two (2) or more firms shall comply with the following requirements:

- (a) The bid and in case of a successful bid, the Form of Contract Agreement shall be signed so as to be legally binding on all partners.
- (b) One of the joint venture partners shall be nominated as being in charge; and this authorization shall be evidenced by submitting a power of attorney signed by legally authorized signatories of all the joint venture partners.

- (c) The partner-in-charge shall always be duly authorized to deal with the Employer regarding all matters related with and/or incidental to the execution of Works as per the terms and Conditions of Contract and in this regard to incur any and all liabilities, receive instructions, give binding undertakings and receive payments on behalf of the joint venture.
- (d) All partners of the joint venture shall at all times and under all circumstances be liable jointly and severally for the execution of the Contract in accordance with the Contract terms and a statement to this effect shall be included in the authorization mentioned under Sub-Para (b) above as well as in the Form of Bid and in the Form of Contract Agreement (in case of a successful bid); and
- (e) A copy of the agreement entered into by the joint venture partners shall be submitted with the bid stating the conditions under which it will function, its period of duration, the persons authorized to represent and obligate it and which persons will be directly responsible for due performance of the Contract and can give valid receipts on behalf of the joint venture, the proportionate participation of the several firms forming the joint venture, and any other information necessary to permit a full appraisal of its functioning. No amendments / modifications whatsoever in the joint venture agreement shall be agreed to between the joint venture partners without prior written consent of the Employer.

PRICE ADJUSTMENT UNDER CLAUSE 70 OF CONDITIONS OF CONTRACT

The source of indices and the weightages or coefficients for use in the adjustment formula under Clause 70 shall be as follows:

Cost Element	Description	Weightages	Applicable Index
1	2		4
(i)	Fixed Portion		" "
(ii)	Cement – in bags		" " "
(iii)	Reinforcing Steel		
	Total		

Notes:

- 1) Indices for "(ii)" to "(iii)" are taken from the Government of Pakistan Federal Bureau of Statistics, Monthly Statistical Bulletin. The base cost indices or prices shall be those applying 28 days prior to the latest day for submission of bids. Current indices or prices shall be those applying 28 days prior to the last day of the billing period.
- 2) Any fluctuation in indices or prices of materials other than those given above shall not be subject to adjustment of the Contract Price.

Fixed portion shown here is for typical road project (if required), Employer to determine the weightage of Fixed Portion considering only those cost elements having cost impact of seven (7) percent or more on his specific project.

BILL OF QUANTITIES

A. Preamble

1. The Bill of Quantities shall be read in conjunction with the Conditions of Contract, Specifications and Drawings.
2. The quantities given in the Bill of Quantities are estimated and provisional, and are given to provide a common basis for bidding. The basis of payment will be the actual quantities of work executed and measured by the Contractor and verified by the Engineer and valued at the rates and prices entered in the priced Bill of Quantities, where applicable, and otherwise at such rates and prices as the Engineer may fix as per the Contract.
3. The rates and prices entered in the priced Bill of Quantities shall, except insofar as it is otherwise provided under the Contract include all costs of Contractor's plant, labour, supervision, materials, execution, insurance, profit, taxes and duties, together with all general risks, liabilities and obligations set out or implied in the Contract. Furthermore all duties, taxes and other levies payable by the Contractor under the Contract, or for any other cause, as on the date 28 days prior to deadline for submission of Bids, shall be included in the rates and prices and the total Bid Price submitted by the Bidder.
4. A rate or price shall be entered against each item in the priced Bill of Quantities, whether quantities are stated or not. The cost of items against which the Contractor will have failed to enter a rate or price shall be deemed to be covered by other rates and prices entered in the Bill of Quantities.
5. The whole cost of complying with the provisions of the Contract shall be included in the items provided in the priced Bill of Quantities, and where no items are provided, the cost shall be deemed to be distributed among the rates and prices entered for the related items of the Works.
6. General directions and description of work and materials are not necessarily repeated nor summarised in the Bill of Quantities. References to the relevant sections of the Bidding Documents shall be made before entering prices against each item in the priced Bill of Quantities.
7. Provisional sums included and so designated in the Bill of Quantities shall be expended in whole or in part at the direction and discretion of the Engineer in accordance with Sub-Clause 58.2 of Part I, General Conditions of Contract.

BILL OF QUANTITIES

C. Daywork Schedule

General

1. Reference is made to Sub-Clause 52.4 of the General Conditions of Contract Part-I. Work shall not be executed on a day work basis except by written order of the Engineer. Bidders shall enter basic rates for Daywork items in the Schedules, which rates shall apply to any quantity of Daywork ordered by the Engineer. Nominal quantities have been indicated against each item of Daywork, and the extended total for Daywork shall be carried forward to the Bid Price.

Daywork Labour

2. In calculating payments due to the Contractor for the execution of Daywork, the actual time of classes of labour directly doing the Daywork ordered by the Engineer and for which they are competent to perform will be measured excluding meal breaks and rest periods. The time of gangers (charge hands) actually doing work with the gang will also be measured but not the time of foreman or other supervisory personnel.
3. The Contractor shall be entitled to payment in respect of the total time that labour is employed on Daywork, calculated at the basic rates entered by him in the Schedule of Daywork Rates for labour together with an additional percentage, payment on basic rates representing the Contractor's profit, overheads, etc., as described below:
 - a) the basic rates for labour shall cover all direct costs to the Contractor, including (but not limited to) the amount of wages paid to such labour, transportation time, overtime, subsistence allowances and any sums paid to or on behalf of such labour for social benefits in accordance with Pakistan law. The basic rates will be payable in local currency only; and
 - b) the additional percentage payment to be quoted by the Bidder and applied to costs incurred under (a) above shall be deemed to cover the Contractor's profit, overheads, superintendence, liabilities and insurances and allowances to labour timekeeping and clerical and office work; the use of consumable stores, water, lighting and power; the use and repair of stagings, scaffolding, workshops and stores, portable power tools, manual plant and tools; supervision by the Contractor's staff, foremen and other supervisory personnel; and charges incidental to the foregoing.

Daywork Constructional Plant

5. The Contractor shall be entitled to payments in respect of constructional plant already on Site and employed on Daywork at the basic rental rates entered by him in the Schedule of Daywork Rates for constructional plant. The said rates shall be deemed to include complete allowance for depreciation, interest, indemnity and insurance, repairs, maintenance, supplies, fuel, lubricants, and other consumables, and all overhead, profit and administrative costs related to the use of such equipment. The cost of drivers, operators and assistants will be paid for separately as described under the section on Daywork Labour.
6. In calculating the payment due to the Contractor for constructional plant employed on Daywork, only the actual number of working hours will be eligible for payment, except that where applicable and agreed with the Engineer, the travelling time from the part of the Site where the constructional plant was located when ordered by the Engineer to be employed on Daywork and the time for return journey thereto shall be included for payment.
7. The basic rental rates for constructional plant employed on Daywork shall be stated in Pakistani Rupees.

Appendix-E to Bid

PROPOSED CONSTRUCTION SCHEDULE

Pursuant to Sub-Clause 43.1 of the General Conditions of Contract, the Works shall be completed on or before the date stated in Appendix-A to Bid. The Bidder shall provide as Appendix-E to Bid, the Construction Schedule in the bar chart (CPM, PERT or any other to be specified herein) showing the sequence of work items and the period of time during which he proposes to complete each work item in such a manner that his proposed programme for completion of the whole of the Works and parts of the Works may meet Employer's completion targets in days noted below and counted from the date of receipt of Engineer's Notice to Commence (Attach sheets as required for the specified form of Construction Schedule):

<u>Description</u>	<u>Time for Completion</u>
a) Whole Works	_____ days
b) Part-A	_____ days
c) Part-B	_____ days
d) _____	_____ days
e) _____	_____ days

Appendix-F to Bid

METHOD OF PERFORMING THE WORK

[The Bidder is required to submit a narrative outlining the method of performing the Work. The narrative should indicate in detail and include but not be limited to:

1. Organization Chart indicating head office and field office personnel involved in management and supervision, engineering, equipment maintenance and purchasing.
2. Mobilization in Pakistan, the type of facilities including personnel accommodation, office accommodation, provision for maintenance and for storage, communications, security and other services to be used.
3. The method of executing the Works, the procedures for installation of equipment and machinery and transportation of equipment and materials to the site].

BG-1

Appendix-G to Bid

LIST OF MAJOR EQUIPMENT – RELATED ITEMS

[The Bidder will provide on Sheet 2 of this Appendix a list of all major equipment and related items, under separate heading for items owned, to be purchased or to be arranged on lease by him to carry out the Works. The information shall include make, type, capacity, and anticipated period of utilization for all equipment which shall be in sufficient detail to demonstrate fully that the equipment will meet all requirements of the Specifications].

LIST OF MAJOR EQUIPMENT

Owned Purchased or Leased	Description of Unit (Make, Model, Year)	Capacity HP Rating	Condition	Present Location or Source	Date of Delivery at Site	Period of Work on Project
1	2	3	4	5	6	7
a. Owned						
b. To be Purchased						
c. To be arranged on Lease						

CONSTRUCTION CAMP AND HOUSING FACILITIES

The Contractor in accordance with Clause 34 of the Conditions of Contract shall provide description of his construction camp's facilities and staff housing requirements.

The Contractor shall be responsible for pumps, electrical power, water and electrical distribution systems, and sewerage system including all fittings, pipes and other items necessary for servicing the Contractor's construction camp.

The Bidder shall list or explain his plans for providing these facilities for the service of the Contract as follows:

1. Site Preparation (clearing, land preparation, etc.).
2. Provision of Services.
 - a) Power (expected power load, etc.).
 - b) Water (required amount and system proposed).
 - c) Sanitation (sewage disposal system, etc.).
3. Construction of Facilities
 - a) Contractor's Office. Workshop and Work Areas (areas required and proposed layout, type of construction of buildings, etc.).
 - b) Warehouses and Storage Areas (area required, type of construction and layout).
 - c) Housing and Staff Facilities (Plans for housing for proposed staff, layout, type of construction, etc.).
4. Construction Equipment Assembly and Preparation (detailed plans for carrying out this activity).
5. Other Items Proposed (Security services, etc.).

Appendix-I to Bid

LIST OF SUBCONTRACTORS

I/We intend to subcontract the following parts of the Work to subcontractors. In my/our opinion, the subcontractors named hereunder are reliable and competent to perform that part of the work for which each is listed.

Enclosed are documentation outlining experience of subcontractors, the curriculum vitae and experience of their key personnel who will be assigned to the Contract, equipment to be supplied by them, size, location and type of contracts carried out in the past.

SUPERVISORY STAFF AND LABOUR**

(INTEGRITY PACT)

DECLARATION OF FEES, COMMISSION AND BROKERAGE ETC.

PAYABLE BY CONTRACTORS

(FOR CONTRACTS WORTH RS. 10.00 MILLION OR MORE)

Contract No. _____ Dated _____
Contract Value: _____
Contract Title: _____

..... [name of Contractor] hereby declares that it has not obtained or induced the procurement of any contract, right, interest, privilege or other obligation or benefit from Government of Sindh (GoS) or any administrative subdivision or agency thereof or any other entity owned or controlled by it (GoS) through any corrupt business practice.

Without limiting the generality of the foregoing, [name of Contractor] represents and warrants that it has fully declared the brokerage, commission, fees etc. paid or payable to anyone and not given or agreed to give and shall not give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from, from Procuring Agency (PA) except that which has been expressly declared pursuant hereto.

[name of Contractor] accepts full responsibility and strict liability that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with PA and has not taken any action or will not take any action to circumvent the above declaration, representation or warranty.

[name of Contractor] accepts full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation and warranty. It agrees that any contract, right, interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other rights and remedies available to PA under any law, contract or other instrument, be voidable at the option of PA.

Appendix-L to bid

Notwithstanding any rights and remedies exercised by PA in this regard, [name of Supplier/Contractor/Consultant] agrees to indemnify PA for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to PA in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by [name of Contractor] as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form from PA.

**BID SECURITY
(Bank Guarantee)**

Security Executed on _____
(Date)

Name of Surety (Bank) with Address: _____
(Scheduled Bank in Pakistan)

Name of Principal (Bidder) with Address _____

Penal Sum of Security Rupees . _____ (Rs. _____)

Bid Reference No. _____

KNOW ALL MEN BY THESE PRESENTS, that in pursuance of the terms of the Bid and at the request of the said Principal (Bidder) we, the Surety above named, are held and firmly bound unto _____

(hereinafter called the 'Employer') in the sum stated above for the payment of which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH, that whereas the Bidder has submitted the accompanying Bid dated _____ for Bid No. _____ for _____ (Particulars of Bid) to the said Employer; and

WHEREAS, the Employer has required as a condition for considering said Bid that the Bidder furnishes a Bid Security in the above said sum from a Scheduled Bank in Pakistan or from a foreign bank duly counter-guaranteed by a Scheduled Bank in Pakistan, to the Employer, conditioned as under:

- (1) that the Bid Security shall remain in force up to and including the date 28 days after the deadline for validity of bids as stated in the Instructions to Bidders or as it may be extended by the Employer, notice of which extension(s) to the Surety is hereby waived;
- (2) that the Bid Security of unsuccessful Bidders will be returned by the Employer after expiry of its validity or upon signing of the Contract Agreement; and
- (3) that in the event of failure of the successful Bidder to execute the proposed Contract Agreement for such work and furnish the required Performance Security, the entire said sum be paid immediately to the said Employer pursuant to Clause 15.6 of the Instruction to Bidders for the successful Bidder's failure to perform.

NOW THEREFORE, if the successful Bidder shall, within the period specified therefore, on the prescribed form presented to him for signature

enter into a formal Contract with the said Employer in accordance with his Bid as accepted and furnish within twenty eight (28) days of his being requested to do so, a Performance Security with good and sufficient surety, as may be required, upon the form prescribed by the said Employer for the faithful performance and proper fulfilment of the said Contract or in the event of non-withdrawal of the said Bid within the time specified for its validity then this obligation shall be void and of no effect, but otherwise to remain in full force and effect.

PROVIDED THAT the Surety shall forthwith pay the Employer the said sum upon first written demand of the Employer (without cavil or argument) and without requiring the Employer to prove or to show grounds or reasons for such demand, notice of which shall be sent by the Employer by registered post duly addressed to the Surety at its address given above.

PROVIDED ALSO THAT the Employer shall be the sole and final judge for deciding whether the Principal (Bidder) has duly performed his obligations to sign the Contract Agreement and to furnish the requisite Performance Security within the time stated above, or has defaulted in fulfilling said requirements and the Surety shall pay without objection the said sum upon demand from the Employer forthwith and without any reference to the Principal (Bidder) or any other person.

IN WITNESS WHEREOF, the above bounden Surety has executed the instrument under its seal on the date indicated above, the name and seal of the Surety being hereto affixed and these presents duly signed by its undersigned representative pursuant to authority of its governing body.

MOBILIZATION ADVANCE GUARANTEE/BOND

Guarantee No. _____ Date _____

WHEREAS _____(hereinafter called the 'Employer') has entered into a Contract for _____
(Particulars of Contract) with _____ (hereinafter called the "Contractor").

AND WHEREAS, the Employer has agreed to advance to the Contractor, at the Contractor's request, an amount of Rupees _____ (Rs _____) which amount shall be advanced to the Contractor as per provisions of the Contract.

AND WHEREAS, the Employer has asked the Contractor to furnish Guarantee to secure the mobilization advance for the performance of his obligations under the said Contract.

AND WHEREAS, _____
(Scheduled Bank in Pakistan or Insurance Company acceptable to the Employer) (hereinafter called the "Guarantor") at the request of the Contractor and in consideration of the Employer agreeing to make the above advance to the Contractor, has agreed to furnish the said Guarantee.

NOW, THEREFORE, the Guarantor hereby guarantees that the Contractor shall use the advance for the purpose of above mentioned Contract and if he fails and commits default in fulfilment of any of his obligations for which the advance payment is made, the Guarantor shall be liable to the Employer for payment not exceeding the aforementioned amount.

Notice in writing of any default, of which the Employer shall be the sole and final judge, on the part of the Contractor, shall be given by the Employer to the Guarantor, and on such first written demand, payment shall be made by the Guarantor of all sums then due under this Guarantee without any reference to the Contractor and without any objection.

This Guarantee shall remain in force until the advance is fully adjusted against payments from the Interim Payment Certificates of the Contractor or until _____ whichever is earlier. (Date)

The Guarantor's liability under this Guarantee shall not in any case exceed the sum of Rupees _____ (Rs _____)

This Guarantee shall remain valid up to the aforesaid date and shall be null and void after the aforesaid date or earlier if the advance made to the Contractor is fully adjusted against payments from Interim Payment Certificates of the Contractor provided that the Guarantor agrees that the aforesaid period of validity shall be deemed to be extended if on the above mentioned date the advance payment is not fully adjusted.

PART II - PARTICULAR CONDITIONS OF CONTRACT

1.1 Definitions

The entire text is deleted and substituted with the following:

In the Contract (as hereinafter defined) the following words and expressions shall have the meanings hereby assigned to them, except where the context otherwise requires:

- (a) (i) "Employer" is **Public School Hyderabad (Managed by Sukkur IBA university)**
Phone: 022-9260404

- (iv) "Engineer" is the **M/s. Shahzad Associates, 2nd Floor, Farzana Building, Shaheed-e-Millat Road, Karachi** or any other competent person registered with PEC as Professional Engineer, appointed by the Employer, and notified to the Contractor, to act in replacement of the Engineer. Provided always that exception cases of professional misconduct, the outgoing Engineers is to formulate his certifications / recommendations in relation to all outstanding matters, disputes and claims relating to the execution of the Works during his tenure.

- a-(iv) "Bidder or Tenderer" means any person, company corporation, firm or joint venture submitting a Bid or Tender.

- b-(v) "Tender" means the Contractor's priced offer to the Employer for the execution and completion of the Works and the remedying of any defects therein in accordance with the provisions of the Contract, as accepted by the Letter of Acceptance. The word "Tender" is synonymous with "Bid" and the word "Tender Documents" with "Bidding Documents".

- (ix) "Programme" means the programme to be submitted by the Contractor in accordance with Sub-Clause 14.1 and any approved revisions thereto.

- (e)(i) The text is deleted and substituted with the following:
"Contract Price" means the sum stated in the Letter of Acceptance as payable to the Contractor for the execution and completion of the Works subject to such additions thereto or deductions therefrom as may be made and remedying of any defects therein in accordance with the provisions of the Contract.

2.1 **Engineer's Duties and Authority**

With reference to the Sub-Clause 2.1(b), the following provisions shall also apply:

The Engineer shall obtain the specific approval of the Employer before carrying out his duties in accordance with the following Clauses:

- (i) Consenting to the sub-letting of any part of the Works under Sub-Clause 4.1 "Subcontracting".
- (ii) Certifying additional cost determined under Sub-Clause 12.2 "Not Foreseeable Physical Obstructions or Conditions".
- (iii) Any action under Clause 10 "Performance Security" and Clauses 21, 23, 24 & 25 "Insurance" of sorts.
- (iv) Any action under Clause 40 "Suspension".
- (v) Any action under Clause 44 "Extension of Time for Completion".
- (vi) Any action under Clause 47 "Liquidated Damages for Delay" or Payment of Bonus for Early Completion of Works (PCC Sub-Clause 47.3).
- (vii) Issuance of "Taking Over Certificate" under Clause 48.
- (viii) Issuing a Variation Order under Clause 51, except:
 - (a). in an emergency* situation, as stated herebelow, or
 - (b). if such variation would increase the Contract Price by less than the amount stated in the Appendix-A to Bid.
- (ix) Fixing rates or prices under Clause 52.
- (x) Extra payment as a result of Contractor's claims under Clause 53.
- (xi) Release of Retention Money to the Contractor under Sub-Clause 60.3 "Payment of Retention Money".
- (xii) Issuance of "Final Payment Certificate" under Sub-Clause 60.8.
- (xiii) Issuance of "Defect liability Certificate" under Sub-Clause 62.1.

* (If in the opinion of the Engineer an emergency occurs affecting the safety of life or of the Works or of adjoining property, the Engineer may, without relieving the Contractor of any of his duties and responsibilities under the Contract, instruct the Contractor to execute all such work or to do all such things as may, in the opinion of the Engineer, be necessary to abate or reduce the risk. The Contractor shall forthwith comply with any such instruction of the Engineer. The Engineer shall determine an addition to the Contract Price, in respect of such instruction, in accordance with Clause 52 and shall notify the Contractor accordingly, with a copy to the Employer.)

Provided further that any requisite approval shall be deemed to have been given by the Employer for any such authority exercised by the Engineer.

2.2 Engineer's Representative

The entire text is deleted and substituted with the following:

The Engineer's Representative shall be appointed by and be responsible to the Engineer and shall carry out such duties and exercise such authority as may be delegated to him by the Engineer under Sub-Clause 2.3.

The Employer shall ensure that the Engineer's Representative is a Professional Engineer as defined in the Pakistan Engineering Council Act 1975 (V of 1976)

The following Sub-Clauses 2.7 and 2.8 are added:

2.7 Engineer Not Liable

Approval, reviews and inspection by the Engineer of any part of the Works does not relieve the Contractor from his sole responsibility and liability for the supply of materials, plant and equipment for construction of the Works and their parts in accordance with the Contract and neither the Engineer's authority to act nor any decision made by him in good faith as provided for under the Contract whether to exercise or not to exercise such authority shall give rise to any duty or responsibility of the Engineer to the Contractor, any Subcontractor, any of their representatives or employees or any other person performing any portion of the Works.

2.8 **Replacement of the Engineer**

“If the Employer intends to replace the Engineer, the Employer shall, not less than 14 days before the intended date of replacement, give notice to the Contractor, of the name, address and relevant experience of the intended replacement Engineer. The Employer shall not replace the Engineer with a person against whom the Contractor raises reasonable objection by notice to the Employer, with supporting particulars.”

5.1 **Language(s) and Law**

- (a) The Contract Documents shall be drawn up in the English language.
- (b) The Contract shall be subject to the Laws of Islamic Republic of Pakistan.

5.2 **Priority of Contract Documents**

The entire text is deleted and substituted with the following:

The several documents forming the Contract are to be taken as mutually explanatory of one another, but in case of ambiguities or discrepancies the same shall be explained and adjusted by the Engineer who shall thereupon issue to the contractor instructions thereon and in such event, unless otherwise provided in the Contract, the priority of the documents forming the Contract shall be as follows;

- (1) The Contract Agreement
- (2) The Letter of Acceptance;
- (3) The completed Form of Bid;
- (4) Special Stipulations (Appendix-A to Bid);
- (5) Special Provisions
- (6) The Particular Conditions of Contract – Part II;
- (7) The General Conditions – Part I;
- (8) The priced Bill of Quantities (Appendix-D to Bid);
- (9) The completed Appendices to Bid (B, C, E to K);
- (10) The Drawings;
- (11) The Specifications; and
- (12) Any other documents forming part of the Contract.

In case of discrepancies between drawings, those of larger scale shall govern unless they are superseded by a drawing of later date regardless of scale. All Drawings and Specifications shall be interpreted in conformity with the Contract and these Conditions. Addendum, if any, shall be deemed to have been incorporated at the appropriate places in the documents forming the Contract.

The following Sub-Clauses 6.6, 6.7 and 6.8 are added:

6.6 **Shop Drawings**

The Contractor shall submit to the Engineer for review 3 copies of all shop and erection drawings applicable to this Contract as per provision of relevant Sub-Clause of the Contract.

Review and approval by the Engineer shall not be construed as a complete check but will indicate only that the general method of construction and detailing is satisfactory and that the Engineer's review or approval shall not relieve the Contractor of any of his responsibilities under the Contract.

6.7 **As-Built Drawings**

At the completion of the Works under the Contract, the Contractor shall furnish to the Engineer 6 copies and one reproducible of all drawings amended to conform with the Works as built. The price of such Drawings shall be deemed to be included in the Contract Price.

9.1 **Contract Agreement**

Delete the entire text and substitute:

The Contractor shall enter into and execute the Contract Agreement, to be prepared and completed at his own cost, in the form annexed to these Conditions with such modification as may be necessary. The cost of stamp duty will also borne by the Contractor. The Contractor shall provide ten copies of signed Contract Documents to the Employer in proper book form for record. All costs for preparing and providing the copies of the Contract Documents shall be borne by the Contractor.

10.1 **Performance Security**

The Entire text is deleted and substituted with the following:

The Contractor shall provide Performance Security to the Employer. The said Security shall be furnished or caused to be furnished by the Contractor within 28 days after the receipt of the Letter of Acceptance. The Performance Security shall be of an amount equal to 10% of the Contract Price stated in the Letter of Acceptance. Such Security shall be provided by an insurance company having atleast AA rating from PACRA / JCR i.e. (NIC, NJI, EFU & Adamjee) only in favour of Employer, valid until one month after completion of the Defect Liability Period in accordance with the Contract.

The cost of complying with the requirements of this Sub-Clause shall be borne by the Contractor.

10.2 **Period of Validity of Performance Security**

Delete the entire text and substitute:

The performance security shall be valid until one month after the completion of the Defect Liability Period in accordance with the Contract. No claim shall be made against such security after the issue of the Defects Liability Certificate in accordance with Sub-Clause 62.1 and such security shall be returned to the Contractor within 14 days of the issue of the said Defects Liability Certificate.

The following Sub-Clause 10.4 is added:

10.4 **Performance Security Binding on Variations and Changes**

The Performance Security shall be binding irrespective of changes in the quantities or variations in the Works or extensions in Time for Completion of the Works which are granted or agreed upon under the provisions of the Contract.

11.1 **Inspection of Site**

The entire text is deleted and substituted with the following;

The Employer shall have made available to the Contractor, before the submission by the Contractor of the Tender, such data on hydrological and sub-surface conditions as have been obtained by or on behalf of the Employer from investigations undertaken relevant to the Works but the Contractor shall be responsible for his own interpretation thereof.

The Contractor shall be deemed to have inspected and examined the Site and its surroundings and information available in connection therewith and to have satisfied himself (so far as is practicable, having regard to considerations of cost and time) before submitting his Tender, as to:

- (a) the form and nature thereof, including the sub-surface conditions,
- (b) the hydrological and climatic conditions,

- (c) the extent and nature of work and materials necessary for the execution and completion of the Works and the remedying of any defects therein, and
- (c) the means of access to the Site and the accommodation he may require, and, in general, shall be deemed to have obtained all necessary information, subject as above mentioned, as to risks, contingencies and all other circumstances which may influence or affect his Tender.

The Contractor shall be deemed to have based his Tender on the data made available by the Employer and on his own inspection and examination, all as aforementioned.

If any data is provided by the Employer, the Contractor is solely responsible for ascertaining the correctness of such data and the Employer shall not be liable in this behalf and no claim whatsoever in nature shall be entertained by the Engineer.

14.1 Programme to be Submitted

The programme shall be submitted within 14 days from the date of receipt of letter of acceptance which shall be in the form of a Bar Chart identifying the critical activities.

14.3 Cash Flow Estimate to be Submitted

The Contractor shall, within 21 days after the date of the Letter of Acceptance, provide to the Engineer for his information a detailed cash flow estimate, in quarterly periods, of all payments to which the Contractor will be entitled under the Contract and the Contractor shall subsequently supply revised cash flow estimates at quarterly intervals, if required to do so by the Engineer.

The following Sub-Clause 14.5 is added:

14.5 Detailed Programme and Monthly Progress Report

- a) For purposes of Sub-Clause 14.1, the Contractor shall submit to the Engineer detailed programme for the following:
 - (1) Execution of Works;
 - (2) Labour Employment;
 - (3) Local Material Procurement;
 - (4) Material Imports, if any; and
 - (5) Other details as required by the Engineer.

- (b) During the period of the Contract, the Contractor shall submit to the Engineer not later than the 8th day of the following month, 5 copies each of Monthly Progress Reports covering:
- (1) A Construction Schedule indicating the monthly progress in percentage;
 - (2) Description of all work carried out since the last report;
 - (3) Description of the work planned for the next 56 days sufficiently detailed to enable the Engineer to determine his programme of inspection and testing;
 - (4) Monthly summary of daily job record;
 - (5) Photographs to illustrate progress ;and
 - (6) Information about problems and difficulties encountered, if any, and proposals to overcome the same.
- (c) During the period of the Contract, the Contractor shall keep a daily record of the work progress, which shall be made available to the Engineer as and when requested. The daily record shall include particulars of weather conditions, number of men working, deliveries of materials, quantity, location and assignment of Contractor's equipment.

15.2 Language Ability of Contractor's Representative

The Contractor's authorised representative shall be fluent in the English language. Alternately an interpreter with ability of English language shall be provided by the Contractor on full time basis.

15.3 Contractor's Representative

The Contractor's authorised representative and his other professional engineers working at Site shall register themselves with the Pakistan Engineering Council.

The Contractor's authorised representative at Site shall be authorised to exercise adequate administrative and financial powers on behalf of the Contractor so as to achieve completion of the Works as per the Contract.

The following Sub-Clauses 16.3 and 16.4 are added:

16.3 Language Ability of Superintending Staff of Contractor

A reasonable proportion of the Contractor's superintending staff shall have a working knowledge of the English language. If the Contractor's superintending staffs are not fluent in English language, the Contractor shall make competent interpreters available during all working hours in a number deemed sufficient by the Engineer.

16.4 Employment of Local Personnel

The Contractor is encouraged, to the extent practicable and reasonable, to employ staff and labour from sources within Pakistan.

The following sub clauses are added 19.3 and 19.4 are added.

19.3 Safety Precautions

In order to provide for the safety, health and welfare of persons, and for prevention of damage of any kind, all operations for the purposes of or in connection with the Contract shall be carried out in compliance with the Safety Requirements of the Government of Pakistan with such modifications thereto as the Engineer may authorise or direct and the Contractor shall take or cause to be taken such further measures and comply with such further requirements as the Engineer may determine to be reasonably necessary for such purpose.

The Contractor shall make, maintain and submit reports to the Engineer concerning safety, health and welfare of persons and damage to property, as the Engineer may from time to time prescribe.

19.4 Lighting Work at Night

In the event of work being carried out at night, the Contractor shall at his own cost, provide and maintain such good and sufficient light as will enable the work to proceed satisfactorily and without danger. The approaches to the Site and the Works where the night-work is being carried out shall be sufficiently lighted. All arrangement adopted for such lighting shall be to the satisfaction of the Engineer's Representative.

20.4 Employer's Risks

The Employer's risks are:

Delete the text and substitute with the following:

- (a) insofar as they directly affect the execution of the Works in Pakistan:
 - (i) war and hostilities (whether war be declared or not), invasion, act of foreign enemies,
 - (ii) rebellion, revolution, insurrection, or military or usurped power, or civil war,

- (iii) ionizing radiations, or contamination by radioactivity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel, radioactive toxic explosive or other hazardous properties of any explosive nuclear assembly or nuclear component thereof,
 - (iv) pressure waves caused by aircraft or other aerial devices travelling at sonic or supersonic speeds,
 - (v) riot, commotion or disorder, unless solely restricted to the employees of the Contractor or of his Subcontractors and arising from the conduct of the Works. For the avoidance of the doubt, it is clarified that riot, commotion or disorder constituting the Employer's Risks shall not include any riot, commotion or disorder in any part of the country where the works are located or to be performed which give rise to generalized security, safety or other concern to the Contractor or his Subcontractor or to their employees.
- (b) loss or damage due to the use or occupation by the Employer of any Section or part of the Permanent Works, except as may be provided for in the Contract;
 - (c) loss or damage to the extent that it is due to the design of the Works, other than any part of the design provided by the Contractor or for which the Contractor is responsible; and
 - (d) any operation of the forces of nature (insofar as it occurs on the Site) which an experienced contractor:
 - (i) could not have reasonably foreseen, or
 - (ii) could reasonably have foreseen, but against which he could not reasonably have taken at least one of the following measures:
 - (a) prevent loss or damage to physical property from occurring by taking appropriate measures, or
 - (b) insure against.

21.4 Exclusions

The text is deleted and substituted with the following:

There shall be no obligation for the insurances in Sub-Clause 21.1 to include loss or damage caused by the risks listed under Sub-Clause 20.4 paras (a) (i) to (iv).

25.1 Evidence and Terms of Insurances

Delete the entire text and substitute as follows:

The Contractor shall provide evidence to the Employer as soon as practicable after the respective insurances have been taken out but in any case prior to the start of work at the Site that the insurances required under the Contract have been effected and shall, within 30 days of the Commencement Date, provide the insurance policies to the Employer. When providing such evidence and such policies to the Employer, the Contractor shall notify the Engineer of so doing. Such insurance policies shall be consistent with the general terms agreed prior to the issue of the Letter of Acceptance. The Contractor shall effect all insurances for which he is responsible with insurers and in terms approved by the Employer.

25.5 Insurance Company

The Contractor shall be obliged to place all insurances relating to the Contract (including, but not limited to, the insurances referred to in Clauses 21, 23 and 24) with either National Insurance Company of Pakistan or any other insurance company operating in Pakistan and acceptable to the Employer.

Costs of such insurances shall be borne by the Contractor.

The following Sub-Clause 31.3 is added:

31.3 Co-operation with other Contractors

During the execution of the Works, the Contractor shall co-operate fully with other contractors working for the Employer at and in the vicinity of the Site and also shall provide adequate precautionary facilities not to make himself a nuisance to local residents and other contractors.

The following Sub-Clause 34.2 and 34.12 are added:

34.2 Rates of Wages and Conditions of Labour

The Contractor shall pay rates of wages and observe conditions of labour not less favourable than those established for the trade or industry where the work is carried out. In the absence of any rates of wages or conditions of labour so established, the Contractor shall pay rates of wages and observe conditions of labour which are not less favourable than the general level of wages and conditions observed by other employers whose general circumstances in the trade or in industry in which the Contractor is engaged are similar.

34.3 Employment of Persons in the Service of Others

The Contractor shall not recruit his staff and labour from amongst the persons in the services of the Employer or the Engineer; except with the prior written consent of the Employer or the Engineer, as the case may be.

34.4 Housing for Labour

Save insofar as the Contract otherwise provides, the Contractor shall provide and maintain such housing accommodation and amenities as he may consider necessary for all his supervisory staff and labour, employed for the purposes or in connection with the contract including all fencing, electricity supply, sanitation, cookhouses, fire prevention, water supply and other requirements in connection with such housing accommodation or amenities. On completion of the contract, the facilities shall be handed over to the Employer or if the Employer so desires, the temporary camps or housing provided by the Contractor shall be removed and the site reinstated to its original condition, all to the approval of the Engineer.

34.5 Health and Safety

Due precautions shall be taken by the Contractor, and at his own cost, to ensure the safety of his staff and labour at all times throughout the period of the Contract. The Contractor shall further ensure that suitable arrangements are made for the prevention of epidemics and for all necessary welfare and hygiene requirements.

34.6 Epidemics

In the event of any outbreak of illness of an epidemics nature, the Contractor shall complete comply with and carry out such regulations, orders and requirements as may be made by the Government, or the local medical or sanitary authorities, for purpose of dealing with and overcoming the same.

34.7 Supply of Water

The Contractor shall, so far as is reasonably practicable, having regard to local conditions, provide on the site, to the satisfaction of the Engineer or his representative, adequate supply of drinking and other water for the use of his staff and labour.

34.8 Alcoholic Liquor or Drugs

The Contractor shall not, otherwise than in accordance with the Statutes, Ordinances and Government Regulations or Orders for the time being in force, import, sell, give, barter or otherwise dispose of any alcoholic liquor or drugs, or permit or suffer any such importation, sale, gift, barter or disposal by his Subcontractors, agents, staff or labour.

34.9 Arms and Ammunition

The Contractor shall not give, or otherwise dispose of to any person or persons, any arms or ammunition of any kind or permit or suffer the same as aforesaid. Except to those who are employed or hired for security of the work, plant and equipment, material, Camp Sites, Offices, Housing including Employer's / Engineer's facilities, etc.

34.10 Festivals and Religious Customs

The Contractor shall in all dealings with his staff and labour have due regard to all recognised festivals, days of rest and religious and other customs.

34.11 Disorderly Conduct

The Contractor shall at all times take all reasonable precautions to prevent any unlawful, riotous or disorderly conduct by or amongst staff and labour and for the preservation of peace and protection of persons and property in the neighbourhood of the Works against the same.

34.12 Compliance by Subcontractor

The Contractor shall be responsible for compliance by his Subcontractor of the provisions of this Clause.

The following Sub-Clauses 35.2 and 35.3 are added:

35.2 Records of Safety and Health

The Contractor shall maintain such records and make such reports concerning safety, health and welfare of persons and damage to property as the Engineer may from time to time prescribe.

35.3 Reporting of Accidents

The Contractor shall report to the Engineer details of any accident as soon as possible after its occurrence. In the case of any fatality or serious accident, the Contractor shall, in addition, notify the Engineer immediately by the quickest available means.

36.5 Engineer's Determination where Tests not Provided for

Deleted the entire text of this Sub-Clause and substitute as follows:

Where, pursuant to Sub-Clause 36.4, this Sub-Clause applies the Engineer Shall, after due consultation with the Employer and the Contractor, determine:

- (a) any extension of time of which the Contractor is entitled under Clause 44, and
- (b) the amount of such costs, which shall be added to the Contract Price, and shall notify the Contractor accordingly, with a copy to the Employer.

The following Sub-Clause 36.6 is added:

36.6 Use of Pakistani Materials and Services

The Contractor shall , so far as may be consistent with the Contract, make the maximum use of materials, supplies, plant and equipment indigenous to or produced or fabricated in Pakistan and services, available in Pakistan provided such materials, supplies, plant, equipment and services shall be of required standard.

41.1 Commencement of Works

The text is deleted and substituted with the following:

The Contractor shall commence the Works on site within the period named in appendix "A" Bid from the date of receipt by him from Engineer of a written notice to commence. Thereafter, the Contractor shall proceed with the Works with due expedition and without delay.

47.3 Bonus for Early Completion of Works

This clause is deleted in its entirety

48.2 Taking Over of Sections or Parts

Delete the entire text of this Sub - Clause and substitute as follow:

Similarly, in accordance with the procedure set out in Sub-Clause 48.1, the Contractor may request and the Engineer after obtaining approval of the Employer shall issue a Taking-Over Certificate in respect of:

- (a) any Section in respect of which a separate Time for Completion is provided in the Appendix "A" to Bid. Special Stipulation"

(b) any substantial part of the Permanent Works which has been both completed to the satisfaction of the Engineer and, otherwise than as provided for in the Contract, occupied or used by the Employer, or

(c) any part of the Permanent Works which the Employer has elected to occupy or use prior to completion (where such prior occupation or use is not provided for in the Contract or has not been agreed by the Contractor as a temporary measure).

51.2 Instructions for Variations

At the end of the first sentence, after the word 'Engineer' the words 'in writing' are added.

52.1 Valuation of Variations

Delete the entire text of this Sub - Clause and substitute as follow:

In the tenth line, after the words "Engineer shall" the following is added "within a period not exceeding one eighth of the completion time subject to a minimum of 56 days from the date of disagreement whichever is later".

53.4 Failure to Comply

This Sub-Clause is deleted in its entirety.

54.5 Conditions of Hire of Contractor's Equipment

Delete the entire text of this Sub - Clause and substitute as follow:

With a view to securing, in the event of termination under Clause 63, the continued availability, for the purpose of executing the Works, of any hired Contractor's Equipment, the Contractor shall not bring on to the Site any hired Contractor's Equipment unless there is an agreement for hire thereof (which agreement shall be deemed not to include an agreement for hire purchase) which contains a provision that the owner thereof will, on request in writing made by the Employer within 7 days after the date on which any termination has become effective, and on the Employer undertaking to pay all hire charges in respect thereof from such date, hire such Contractor's Equipment to the Employer on the same terms in all respect as the same was hired to the Contractor save that the Employer shall be entitled to permit the use thereof by any other contractor employed by him for the purpose of execution and completing the Works and remedying any defects therein, under the terms of the said Clause 63.

The Contractor shall, upon request by the Engineer at any time in relation to any item of the hired Contractor's Equipment, forthwith notify the Engineer in writing the name and addresses of owner of the Equipment and shall satisfy that the agreement for the hire thereof contains a provision in accordance with the requirements said forth above.

The following Sub-Clauses 59.4 & 59.5 are added:

59.4 Payments to Nominated Subcontractors

The Contractor shall pay to the nominated Subcontractor the amounts which the Engineer certifies to be due in accordance with the subcontract. These amounts plus other charges shall be included in the Contract Price in accordance with Clause 58 [Provisional Sums], except as stated in Sub-Clause 59.5 [Certification of Payments].

59.5 Certification of Payments & Nominated Subcontractors

Before issuing a Payment Certificate which includes an amount payable to a nominated Subcontractor, the Engineer may request the Contractor to supply reasonable evidence that the nominated Subcontractor has received all amounts due in accordance with previous Payment Certificates, less applicable deductions for retention or otherwise. Unless the Contractor:

- a) submits reasonable evidence to the Engineer, or
- b)
 - i) satisfies the Engineer in writing that the Contractor is reasonably entitled to withhold or refuse to pay these amounts, and
 - ii) submits to the Engineer reasonable evidence that the nominated Subcontractor has been notified of the Contractor's entitlement,

then the Employer may (at his sole discretion) pay direct to the nominated Subcontractor, part or all of such amounts previously certified (less applicable deductions) as are due to the nominated Subcontractor and for which the Contractor has failed to submit the evidence described in sub-paragraphs (a) or (b) above. The Contractor shall then repay, to the Employer, the amount which the nominated Subcontractor was directly paid by the Employer.

60.1 **Monthly Statements**

Delete the entire text of this Sub - Clause and substitute as follow:

The Contractor shall on the basis of the joint measurements of work done under clause 56.1, submit to the Engineer after the end of each month six

copies, each signed by the Contractor's representative approved by the Engineer in accordance with the Sub-Clause 15.1, of a statement, in such form as the Engineer may from time to time prescribe, showing the amounts to which the Contractor considers himself to be entitled up to the end of the month in respect of:

- (a) the value of the Permanent Works executed,
- (b) any other items in the Bill of Quantities including those for Contractor's Equipment, Temporary Works, dayworks and the like,
- (c) the percentage of the invoice value of listed materials, all as stated in Sub-Clause 60.11(a)(6) hereof, and Plant delivered by the Contractor on the Site for incorporation in the Permanent Works but not incorporated in such Works,
- (d) any other sum to which Contractor may be entitled under the Contract or otherwise:

60.10 **Time for Payment**

The text is deleted and substitute with the follows:

The amount due to the Contractor under any Interim Payment Certificate issued by the Engineer pursuant to this Clause, or to any other term of the Contract, shall, subject to Clause 47, be paid by the Employer to the Contractor within 30 days after such Interim Payment Certificate has been jointly verified by Employer and Contractor, or, in the case of the Final Certificate referred to in Sub-Clause 60.8, within 60 days, after such Final Payment Certificate has been jointly verified by Employer or Contractor, Provided that the Interim Payment shall be caused in 42 days and Final Payment in 60 days in case of foreign funded project. In the event of the failure of the Employer to make payment within the times stated, the Employer shall pay to the Contractor compensation at the 28 days rate of KIBOR+2% per annum for local currency and LIBOR+1% for foreign currency, upon all sums unpaid from the date by which the same should have been paid. The provisions of this Sub-Clause are without prejudice to the Contractor's entitlement under Clause 69.

All payments to the Contractor shall be made in Pakistani Rupees only under the Contract and no payment in foreign currency is admissible.

The following Sub-Clause 60.11 is added:

60.11 Secured Advance on Materials

This clause is deleted in its entirety

60.12 Financial Assistance to Contractor (subject to prior approval of Employer / Consultant and as per special conditions of Contract).

Financial assistance shall be made available to the Contractor by the Employer by adopting the following alternative.

- (a) An interest-free Mobilization Advance up to 10% of the Contract Price stated in the Letter of Acceptance shall be paid by the Employer to the Contractor upon submission by the Contractor of a Mobilization Advance Guarantee/Bond for the full amount of the Advance in the specified form from a Scheduled Bank in Pakistan.
 - (1) within 14 days after signing of the Contract Agreement or date of receipt of Engineer's Notice to Commence, whichever is earlier; and
 - (2) subject to the satisfaction of the Engineer as to the state of mobilization of the Contractor.
- (b). This Advance shall be recovered in equal monthly instalments; first instalment at the expiry of second month after the date of payment of first part of Advance and the last instalment one months before the date of completion of the Works as per Clause 43 hereof.

63.1 Default of Contractor

Delete the entire text of this Sub-Clause and substitute as follows:

If the Contractor is deemed by law unable to pay his debts as they fall due, or enters into voluntary or involuntary bankruptcy, liquidation or dissolution (other than a voluntary liquidation for the purposes of amalgamation or reconstruction), or becomes insolvent, or makes an arrangement with, or assignment in favour of, his creditors, or agrees to carry out the Contract under a committee of inspection of his creditors, or if a receiver, administrator, trustee or liquidator is appointed over any substantial part of his assets, or if, under any law or regulation relating to reorganization, arrangement or readjustment of debts, **proceedings are**

commenced against the Contractor or resolutions passed in connection with dissolution or liquidation or if any steps are taken to enforce any security interest over a substantial part of the assets of the Contractor, or if any act is done or event occurs with respect to the Contractor or his assets which, under any applicable law has a substantially similar effect to any of the foregoing acts or events, or if the Contractor has contravened Sub-Clause 3.1, or has an execution levied on his goods, or Contract, if the Engineer certifies to the Employer, with a copy to the Contractor, that, in his opinion, the Contractor:

- (a) has repudiated the Contract, or
- (b) without reasonable excuse has failed
 - (i) to commence the Works in accordance with Sub-Clause 41.1,
 - (ii) to proceed with the Works, or any Section thereof, within 28 days after receiving notice pursuant to Sub-Clause 46.1,
- (c) has failed to comply with a notice issued pursuant to Sub-Clause 37.4 or an instruction issued pursuant to Sub-Clause 39.1 within 28 days after having received it
- (d) despite previous warning from the Engineer, in writing, is otherwise persistently or flagrantly neglecting to comply with any of his obligations under the Contract, or
- (e) has contravened Sub-Clause 4.1, then the Employer may, after giving 14 days' notice to the Contractor, enter upon the Site and the Works and terminate the employment of the Contractor without thereby releasing the Contractor from any of his obligations or liabilities under the Contract, or affecting the rights and authorities conferred on the Employer or the Engineer by the Contract, and may himself complete the Works or may employ any other contractor to complete the Works. The Employer or such other contractor may use for such completion so much of the Contractor's Equipment, Temporary Works and materials as he or they may think proper.

Provided further that in addition to the action taking by the Employer against the Contractor this Clause, the Employer may also refer the case of default of the Contractor to Pakistan Engineering Council for punitive action under the construction and operation of Engineering Works Bye-Laws 1987, as amended from time to time.

65.2 **Special Risks**

The text is deleted and substituted with the following:

The special Risks are the risks defined under Sub-Clause 20.4 Sub Paragraphs (a) (i) to (a) (v).

67.3 **Arbitration**

Delete the entire text of this Sub-Clause and substitute as follows:

Any dispute in respect of which:

- (a) the decision, if any, of the Engineer has not become final and binding pursuant to Sub-Clause 67.1, and
- (b) amicable settlement has not been reached within the period stated in Sub-Clause 67.2,

shall be finally settled under the provision of the arbitration at, 1940 as amended or any statutory modifications or re-enactment, thereof for the time being in force. The said arbitrator/s shall have full power to open up, review and revise any decisions, opinion, instructions, determination, certificate or valuation of the Engineer related to the dispute.

Neither party shall be limited in the proceedings before such arbitrators to the evidence nor arguments put before the Engineer for the purpose of obtaining his said decisions pursuant to Sub-Clause 67.1. No such decision shall disqualify the Engineer from being called as a witness and giving evidence before the arbitrator/s on any matter whatsoever relevant to the dispute.

Arbitration may be commenced prior to or after completion of the Works, provided that the obligations of the Employer, the Engineer and the Contractor shall not be altered by reason of the arbitration being conducted during the progress of the Works.

The Place of arbitration shall be Karachi, Pakistan.

68.1 **Notice to Contractor**

Delete the entire text of this Sub-Clause and substitute as follows:

All certificates, notices or instructions to be given to the Contractor by the Employer or the Engineer under the terms of the Contract shall be sent by post, cable, telex or facsimile transmission to or left at the Contractor's principal place of business or such other address as the Contractor shall nominate for that purpose.

For the purposes of this Sub-Clause, the Contractor shall, immediately after receipt of Letter of Acceptance, intimate in writing to the Employer and the Engineer by registered post, the address of his principal place of business or any change in such address during the period of the Contract.

68.2 Notice to Employer and Engineer

Delete the entire text of this Sub-Clause and substitute as follows:

Any notice to be given to the Employer or to the Engineer under the terms of the Contract shall be sent by post, cable, telex or facsimile transmission to or left at the respective addresses nominated below.

The Employer:

Public School Hyderabad (Managed by Sukkur IBA University)

Phone: 022-9260404

The Engineer:

M/s. Shahzad Associates

Consulting Architects, Engineers & Planners
2nd Floor, Farzana Building,
Shaheed-e-Millat Road, Karachi.

Tel: 021-3438-4591, 3438-8857,
Fax: 3453-0754

72.1 Rates of Exchange

Refer to Par-I: General Conditions of Contract

72.2 Currency Proportions

Refer to Par-I: General Conditions of Contract

72.3 Currencies of Payment for Provisional Sums

Delete the sub-clause in its entirety

The following Sub-Clauses 73.1, 73.2, 73.3, 74.1, 75.1, 76.1, and 77.1 are added.

73.1(a) Payment of Income Tax

The Contractor, Subcontractor and their employees shall be responsible for payment of all their income tax, super tax and other taxes applicable under the laws of Pakistan, as amended from time to time, on income, or any loss of income, arising out of the Contract and the rates and prices stated in the Contract shall be deemed to cover all such taxes.

The Employer shall apply source deduction of Taxes (with holding) at the applicable rate during currency of the contract for all the amounts payable in terms of the Contract as per Income Tax Laws of Pakistan under the above clause.

73.1(b) Payment of Local Tax

The prices bid by the Contractor shall include all customs duties, import duties, sales tax, octroi and other taxes that may be levied in accordance with the laws and regulations in force on the date 28 days prior to the latest date for submission of bids in Pakistan on the Contractor's equipment, plant, materials and supplies (permanent, temporary and consumable) acquired for the purpose of the Contract and on the services performed under the Contract. Nothing in the Contract shall relieve the Contractor from his responsibility to pay any tax that may be levied in Pakistan in relation to execution of the Contract.

73.1(c) Foreign Taxation

The Prices bid by the Contractor shall include all taxes, duties and other charges imposed outside the Employer's country on the production, manufacture, sale and transport of the Contractor's Equipment, Plant, Materials and supplies to be used on or furnished under the Contract, and on the services performed under the Contract.

73.2 Cost Inclusive of Duties and Taxes

The rates and prices stated in the Priced Bill of Quantities shall be deemed to include every element of duty or tax leviable on or in relation to the production, import, purchase, sale, delivery and transportation of materials and to the bringing thereof to the Site and no such duty or tax shall be separately reimbursable.

73.3 Custom Clearance

It is the responsibility of the Contractor to make all arrangements and payments necessary for obtaining customs clearances of all materials, goods and equipment. The Employer shall not assume any responsibility in respect of the aforementioned obligations of the Contractor, except as otherwise provided in the Contract.

74.1 Integrity Pact

If the Contractor or any of his Subcontractors, agents or servants is found to have violated or involved in violation of the Integrity Pact signed by the Contractor as Appendix-L to his Bid, then the Employer shall be entitled to:

- (a) recover from the Contractor an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by the Contractor or any of his Subcontractors, agents or servants;
- (b) terminate the Contract; and
- (c) recover from the Contractor any loss or damage to the Employer as a result of such termination or of any other corrupt business practices of the Contractor or any of his Subcontractors, agents or servants.

The termination under Sub-Para (b) of this Sub-Clause shall proceed in the manner prescribed under Sub-Clauses 63.1 to 63.4 and the payment under Sub-Clause 63.3 shall be made after having deducted the amounts due to the Employer under Sub-Para (a) and (c) of this Sub-Clause.

75.1 Termination of Contract for Employer's Convenience

The Employer shall be entitled to terminate the Contract at any time for the Employer's convenience after giving 56 days prior notice to the Contractor, with a copy to the Engineer. In the event of such termination, the Contractor:

- (a) shall proceed as provided in Sub-Clause 65.7 hereof; and
- (b) shall be paid by the Employer as provided in Sub-Clause 65.8 hereof.

76.1 Liability of Contractor

The Contractor or his Subcontractors or assigns shall follow strictly, all relevant labour laws including the Workmen's Compensation Act and the Employer shall be fully indemnified for all claims, damages etc. arising out of any dispute between the Contractor, his Subcontractors or assigns and the labour employed by them.

77.1 Joint and Several Liability

If the Contractor is a joint venture of two or more persons, all such persons shall be jointly and severally bound to the Employer for the fulfilment of the terms of the Contract and shall designate one of such persons to act as leader with authority to bind the joint venture. The composition or the constitution of the joint venture shall not be altered without the prior consent of the Employer.

78.1 Details to be Confidential

The Contractor shall treat the details of the Contract as private and confidential, save in so far as may be necessary for the purposes thereof, and shall not publish or disclose the same or any particulars thereof in any trade or technical paper or elsewhere without the prior consent in writing of the Employer or the Engineer. If any dispute arises as to the necessity of any publication or disclosure for the purpose of the Contract, the same shall be referred to the decision of the Engineer whose award shall be final.

PART A- SPECIAL PROVISIONS

1. GENERAL

These Special Provisions shall be used as supplementary and in conjunction with other Contract Documents and shall be deemed to be incorporated and become part of the Contract Documents. In case any provision is at variance with any of Special Provisions the Special shall prevail.

All works shall be carried out in accordance with following provisions, supplemented by detailed technical specifications. Any inconsistencies or ambiguities shall be brought to the notice of the Engineer for his clarification/decision. Decision and direction of the Engineer, in all such cases, shall be final and binding.

The Contractor shall make himself thoroughly familiar with the site conditions, foresee any and all problems likely to encountered during execution of the works, and shall be able and ready to solve them effectively. Proposals for solutions to the problems shall be submitted to the Engineer for approval before proceeding with the work.

2. APPLICABLE CODES AND STANDARDS

In the absence of other standards being required by the Contract Documents all work and materials shall meet the requirement of the Uniform Building Code of the United States, and/or applicable American Society for Testing Material (ASTM) American Association of State Highway and Transportation Officials (AASHTO) Specifications and the latest American Concrete Institute Manual of Concrete Practice and American Institute of Steel Construction (AISC) Manual Relevant to the Works except in cases where the Pakistan Building Code requires a higher standard. In such cases the Pakistani Code shall govern. Where the abbreviations listed below are used it refers to the latest code, standards, or publication of the following organizations:

AASHTO	American Association of State Highway and Transportation Officials
ACI	American Concrete Institute
AISC	American Institute of Steel Construction
ANSI	American National Standards Institute
ASA	American Standard Association
ASCE	American Society of Civil Engineers
ASTM	American Society for Testing and Material
AWS	American Welding Society
BSI	British Standard Institutes

ICAO	International Civil Aviation Organization
BSICP	British Standard Institute Code of Practice
PCA	Portland Cement Association
PSI	Pakistan Standard Institute
UBC	Uniform Building Code

Should the Contractor, at any time and for any specific reasons wish to deviate from the above standards or desires to use material or equipment other than those provided for by the above standards, then he shall state the exact nature of the change giving the reasons for making the change and shall submit complete specifications of the materials and description of the equipment for the Engineer's approval, whose decisions shall be conclusive and binding upon the Contractor.

3. **CODES, STANDARDS, CERTIFICATES**

The Contractor shall supply and have at his site office:

Copies of all latest editions of codes and standards referred to in these Specifications by number or equivalent codes and standards approved by the Engineer.

Catalogues and published recommendations from manufacturers supplying products and material for the project.

The contractor shall provide manufacturer's or supplier's certificate to the Engineer for all products and materials which must meet the requirements of specific code or standard as stated in these specifications.

4. **MANUFACTURER'S RECOMMENDATIONS**

Installation of manufactured items shall be in accordance with procedures recommended by the manufacturer or as approved by the Engineer.

5. **SEQUENCE OF CONSTRUCTION**

The Contractor shall submit his proposal for approval of the Engineer the sequence of construction, prior to starting the Works. The Work shall be executed as per approved sequence of construction.

6. **UNITS OF MEASUREMENTS**

The International System of Unit (SI) shall be used throughout this Project.

7. PLANT, EQUIPMENT AND TOOLS

The Contractor shall provide at his cost modern plant, equipment, machinery and tools, adequate and befitting to the nature, magnitude and size of this Contract, in strict compliance with the requirements of relevant Clause of the Conditions of Contract. The Contractor shall own, provide and install at site of work earth excavating and moving equipment such as excavator, graders, dozers, rollers, dump trucks, pipe laying equipments, concrete mixers, pavers, asphalt plant etc. for rapid laying of pipes, placing of good quality concrete and construction of road works.

8. CONSTRUCTION AREA

The Contractor shall confine his operations to the areas that are actually required for the Works. Arrangements for haulage of materials are to be made by the Contractor at his cost.

9. STORAGE & HANDLING FACILITIES

The employer will provide the Contractor possible space within or nearby the area site of Works for the storage of materials, equipment, workshop and for Contractor's temporary office, laboratory during the currency of the Contract. On no account shall such temporary installations conflict/interfere with any of the permanent installations, service and any operational function of Employer. The handling and storage of all plants equipments and material at site shall be the sole responsibility of the Contractor and at no risk and cost to the Employer. If the contractor wishes to use any other land/area for camps he shall pay rentals or others costs connected therewith.

10. TEST LABORATORY AND TESTING

- 10.1 The Contractor shall establish and maintain at the project site at his own material testing laboratory for performing the necessary tests specified in the Contract. Testing for which facilities are not available in the Contractor's Project Laboratory shall be performed by testing agencies / laboratories as approved by the Engineer. The Contractor shall furnish sample of all materials, provide laboratory technicians, helpers for his and the Engineer's supervision staff. All testing shall be carried out by the Contractor under the supervision of the Engineer or his designated representatives. All costs for establishing and maintaining site laboratory, providing samples, technicians/helpers, testing/reports shall borne by the Contractor.

- 10.2 The quality control testing shall be performed by the Contractor's competent personnel under supervision of the Engineer's Staff in accordance with site testing and quality control program to be established by the Contractor and approved by the Engineer or his Representative. The contractor shall keep a complete record of all quality tests performed and submit the same to the Engineer. All quality control and related tests shall be carried out in accordance with applicable standards and codes.

11. CONSTRUCTION AND CHECKING AT SITE

The bidders shall provide with their bid a list of the main Construction equipment they would propose to use on site.

The Contractor shall submit to the Engineer in due time for approval and discussion, his proposals and plans as to the method and procedure to be adopted for the execution of Works.

The submitting of these suggestions and arrangements and the approval thereof by the Engineers shall not relieve the Contractor of his responsibilities and duties under the Contract.

The carrying out of all work included in the Contract is to be supervised by a sufficient number of qualified representative of the Contractor and full facilities and assistance are to be afforded by the Contractor for the Engineer and his supervision staff to check and examine the execution of the Works.

The Engineer reserves the right to inspect all parts of the works but may at his discretion waive inspection on certain items. This shall in no way absolve the Contractor from his responsibilities. This particularly applies to the checking of materials, leveling, setting and aligning of the various parts and of road work and to the proper fitting and adjustment of manufactured and finished material and fixtures in position.

If the Engineer or his Representative sees that the work progress is slow in such a way that the works or part thereof will not be completed in accordance with the approved work program, then he may order the Contractor to work overtime or in shifts and the Contractor shall comply. All financial implication for these arrangements will be borne by the Contractor and at no additional costs to the Employer.

In the event of night work, the Contractor shall provide sufficient and adequate lighting to the satisfaction of the Engineer or his Representative and shall supply the necessary manpower for satisfactory continuation of the work after normal hours.

12. BAR BENDING SCHEDULE

Bar bending (reinforcement bars) schedule of all drawings shall be prepared by the Contractor and submitted in triplicate to the Engineer for approval.

13. DRAWINGS

13.1 Tender Drawings: The drawings listed and provided in the Bidding Documents are referred to as Tender Drawings and these show the scope of work to be performed by the Contractor. Tender Drawings shall not be used as a basis for fabrication or construction but may be used as basis for placing preliminary order for materials. Subject to corrections based on the future issue of drawings as provided under sub-clause 13.2.

13.2 Drawing issued for Construction: After Award of contract, Tender Drawings shall be replaced by Drawings issued for construction including supplementary specifications as may be necessary. Drawings issued for Construction may include some of the Tender Drawings with or without modification and additional drawings as required to express design intent in greater detail. Such drawings may also be modified from time to time. Drawings issued for construction will be the drawings from which shops, fabrication, erection, installation, concrete placing, formwork or other construction detail drawings shall be prepared by the Contractor. The work shall be executed in conformity with drawings issued for construction.

13.3 Study of Drawings: The Contractor shall study all drawings issued for construction carefully as soon as practicable after receipt thereof, and any errors discovered shall promptly be brought to the knowledge of the Engineer for his instructions.

13.4 Drawings to be Furnished by the Contractor:

(a). Shop Drawings:

All shop drawings shall be prepared by the Contractor and submitted to the Engineer required for the work including all kinds of fabrications, field erection, installation, placement and layout drawings shall be furnished by the Contractor for approval of the Engineer. If additional detail drawings are necessary to complete any part of the work, such details shall be incorporated. Drawings shall be prepared by the Contractor and submitted to the Engineer for approval. All drawings shall be complete and submitted in due time and in

logical order to facilitate proper coordination. All drawings submitted and approved will form part of the Contract.

(b). Construction Plant Layout Drawings:

Three prints of drawings, showing the layout of construction plant and equipment the contractor purposes to use on the work shall be submitted the Contractor for review to the Engineer. The drawings shall show the location of the principal component of the Construction plant, offices, storage areas and yards which the contractor purposes to construct or use at the site of the work and elsewhere. The drawings shall also show the unloading facilities for materials and equipment at the work site.

13.5 **Submissions and Approvals:**

- (a). Except as otherwise specified, three copies of each drawing for approvals or review shall be furnished to the Engineer. Within ten (10) calendar days after receipt, the Engineer will send one copy to the Contractor marked "Approved", "Approved/Except as Noted", or "Returned for Correction". The notations "Approved" and "Approved/Except as Noted" will authorize the Contractor to proceed with the works. Drawings returned for correction will be resubmitted for approval in the same manner, as for new drawings every revision block.
- (b). Upon receipt of prints which have been "Approved" or "Approved / Except as Noted" the contractor shall furnish three prints plus one reproducible of each drawing to the Engineer. If revisions are made after a drawing has been approved, the Contractor shall furnish 3 additional points and one reproducible subsequent to each approved revision.
- (c). Shop drawings to be prepared by a Sub-Contractor shall be submitted in the same manner as (a) & (b) above but they will be submitted through the Contractor.
- (d). All of the Applicable requirements of this Clause with reference to drawings to be prepared by the Contractor, including Sub-Contractors, shall apply equally to catalogue cuts, illustrations, printed specifications or other data submitted for approval.

- (e). Any work done on Contractor's drawings shall be at the Contractor's risk. The Engineer will have the right to request any additional details and to require the Contractor to make any changes in the drawings which are necessary to confirm to the provisions and intent of design and specifications without additional cost to the employer. The approval of the drawings by the Engineer shall not be construed as complete check but will indicate only that the general method of construction and detailing is satisfactory. Approval by the Engineer of the Contractor's drawings shall not be held to relieve the Contractor of his obligation to meet all the requirements of the specifications or of his responsibility for the correctness of the Contractor's Drawings or of his responsibility for correct fit of assembled part in final position or of his responsibility for the adequacy of method of construction.

14. AS-BUILT DRAWINGS

The Contractor shall at all times keep on the site one copy of all drawings and approved samples together with copies of all public safety codes and relevant standards applicable to the works. All such material shall be made available to the Engineer.

In addition, the Contractor shall, at all times, keep on Site a separate set of prints on which shall be noted neatly, accurately and promptly Site work progresses all insignificant changes between the work shown on the Drawings and that which is actually constructed.

At the completion of works, the Contractor shall at his expense, supply to the Engineer six copies and one reproducible copy of all Drawings amended to comply with work "As Built". The Contractor shall provide in the same format as the original Drawings and additional Drawing required to record the work.

15. PROTECTION OF THE WORKS

The Contractor shall whenever necessary cover up and protect the works from weather and damage by his own or other workmen performing subsequent operation. He shall provide all necessary dust sheets, barriers and guard rails and clear away the same at completion.

The Contractor shall take all proper steps for protection at all places on or about the works which may be dangerous to his workmen or any other person or to traffic. The Contractor shall provide and maintain warning signs, warning lamps and barricades as necessary.

The entire responsibility for the safety and stability of the works and safety of people inside and around the works, in any and all cases, shall rest and remain with Contractor, who may add other appropriate safety measures as approved by the Engineer, to meet this obligation.

16. RESTORATION AND CLEANING

The Contractor shall do regular cleaning and clean away all rubbish and excess materials that may accumulate from time to time on completion and before handing over. Upon completion of the works he shall obliterate all signs of temporary construction facilities such as work areas, stock piles of excess or waste materials, or any other wasters of construction, unless, otherwise directed by the Engineer. The works and Site shall be left in a clean and satisfactory state for immediate use and occupation. Care shall be taken not to use any cleaning materials which may causes damage to the surface to be cleaned.

17. PRODUCT DATA

Manufacturer's catalogue sheets, brochures, diagrams, schedules, performance charts, illustrations and other standard descriptive literature shall be clearly marked to identify pertinent materials products or models. Dimensions and required clearances shall be indicated.

18. SAMPLES

- 18.1 The Contractor shall furnish for approval of the Engineer with reasonable promptness all samples as directed by the Engineer or specifically called for in these specifications. The Engineer shall check and approve such samples with reasonable promptness for compliance with the requirements of contract documents. All work shall be in accordance with approved samples.
- 18.2 Duplicate final approved samples, in addition to any required for the Contractor's use shall be furnished to the Engineer one for Office use and other for the Site.
- 18.3 Samples shall be furnished so as not to delay fabrication, allowing the Engineer reasonable time for consideration of the sample submitted.
- 18.4 Each sample shall be properly labeled with the name, name of the project, the Contractor's name and the date of submission, and the Specifications Article number to which the sample refers.

- 18.5 The manufacture's installation directions shall be provided with each sample. The Contractor shall pay all transportation costs and deliver samples to the Engineer's Office, Site or testing laboratory as directed by the Engineer.
- 18.6. Samples will not be returned unless return is requested at the time of submission, all packing and transportation cost for the return of samples shall be paid by the Contractor.
- 18.7. No acceptance or approval of any Shop Drawings or sample, or any indication or request by the Engineer on any Shop Drawings shall constitute an authorization for any increase in the Contract Sum.

19. MATERIAL SOURCE

Quarry materials such as sand, gravel, earth, rock or other mineral materials, other than local borrow or selected materials obtained on the project, for use in the works shall be provided by the Contractor from sources to be identified and established by the Contractor who will be responsible for survey, investigation and testing to prove the extent and suitability of materials, for land and royalty / malkana costs, for access roads, Site facilities, stripping overburden, separation of materials, processing and other cost. All costs shall be considered as included within the rates inserted for the items included in the Bill of Quantities.

20. QUALITY OF MATERIAL

- 20.1 All materials and supplies furnished under the Contract Documents shall be new and of standard first grade quality and of best workmanship and design. No inferior or low grade materials supplies or articles will be either approved or accepted and all works of construction shall be made in neat, first class and workmanlike manner.
- 20.2 Prior to procurement, the Contractor shall furnish to Engineer for his approval, the names of the manufactures of all Equipment and materials which he contemplates incorporating in the works, samples of material shall be submitted to the Engineer for approval. Equipment, material supplies and articles installed or used without the Engineer's approval shall be at the risk of subsequent rejection.

21 INSPECTION & TESTS REPORTS

- 21.1 All Equipment and materials furnished under these specifications and all work performed in connection therewith

will be subject to rigid inspection by the Engineer. Acceptance of Equipment and material or the waiving off inspection thereof shall in no way relieve the Contractor of his responsibility for meeting the requirements of the contract.

- 21.2 The Contractor shall furnish to the Engineer Representative four certified true copies of reports of the tests of all materials used in the manufacture and fabrication of all Equipments and materials. The result of these tests shall be in such form as to show compliance with the applicable specifications, standards and codes of the material used.

22 ACCIDENT PREVENTION, PROTECTIVE EQUIPMENT

The Contractor shall comply with the highest standard of safety and accident prevention in accordance with international standards and in compliance with all applicable laws, ordinances and statutory provisions in Pakistan.

All requisite barriers, fences, warning signs, lights and other safety precautions as required for the protection of persons and property on or adjacent to the Site shall be provided at the Contractor's cost.

All falsework, scaffolding and hand rails shall be well constructed and secured at all times. Where overhead work is being carried out warning signs shall be installed at different level clearly warning the overhead work.

All warning signs shall be in two languages, English and Urdu, and shall at all times be maintained in a clean and legible condition, to the satisfaction of the Engineer.

Trash shall be removed at frequent intervals to the satisfaction of the Engineer.

23 TEMPORARY FACILITIES

The Contractor shall provide, erect or install, maintain alter as necessary and remove on completion except as otherwise directed by the Engineer all temporary facilities and services as described hereinafter and / or in the Contract Documents and / or instructed and approved by the Engineer.

The Contractor temporary Site Office shall be available for use not later than one month after the date of the Site handing over. Installation of temporary services at the Site shall be given priority over all other construction at the Site.

23.1 TEMPORARY SERVICES

a) Temporary Water Supply and Electricity

The Contractor shall supply at his own cost temporary supply of water and eclectic power as necessary for all construction activities and proper performance of the works during the period of the contact.

b) Waste Disposal

The Contractor shall make such temporary provisions as may be required in order to dispose off any chemicals, fuels, oils, grease, bituminous materials, waste and soil waste and the like without causing pollution to either the Site or the environment. Disposal of any materials, wastes, effluents, garbage, oil, grease, chemicals and the like shall be in areas specified by the concerned local authority proposed by the Contractor and subject to the approval of the Engineer. If any waste material is dumped in unauthorized areas the Contractor shall remove the material and restore the area to the condition of the undisturbed area. If necessary contaminated ground shall be excavated, disposed off as directed by the Engineer and replaced with suitable fill material compacted and finished with topsoil all at the expense of the Contractor.

c) Fire Protection

The Contractor shall provide and maintain adequate fire protection in the form of barrels of water with buckets, fire bucket tanks, fire extinguishers, or other effective means ready for instant use, distributed around the project and in and about temporary inflammable structures during construction of the works.

Gasoline and other flammable liquids shall be stored in and dispensed from safety containers approved by the Engineer and storage shall not be within building.

Torch-Cutting and welding operations performed by the Contractor shall have the approval of the Engineer before such work is started and a chemical extinguisher is to be available at the location where such work is in progress.

The Contractor shall follow the instructions and specifications of the Civil Defence Department and or other local authority.

24 CONSTRUCTION SCHEDULE

- 24.1 A Construction schedule shall be maintained in accordance with the provisions of the Conditions of Contract.
- 24.2 The schedule shall be accompanied with sufficient data and information including all necessary particulars of plant, Equipment, machinery, temporary works, arrival of plant, Equipment at Site and their installation, method of operation, work forces employed, etc., for all activities of the Works.
- 24.3 Should the Engineer consider any alteration or addition in the programme and time schedule the Contractor shall conform thereto without any cost to the Employer.
- 24.4 Whenever necessary and wherever the progress of the work shows departure, the programme and time schedule shall be updated and submit to the Engineer for his approval.

25 NOTIFICATION TO ENGINEER

The Engineer representative shall be notified daily in writing of the nature and location of the work the Contractor intends to perform the next day so as to enable necessary inspection and measurement to be carried out. The Engineer may, if necessary, direct that at longer notice be given for certain operations.

26 NIGHT WORK

No work shall be done at night without approval of the Engineer. When work is required to be done at night for which approval as being acquired from Engineer, the Contractor shall maintain from sunset to sunrise such lights on or about his work and plant as the Engineer may deem necessary for the proper observation of the work and the efficient execution thereof.

27 WEATHER

No work is to be undertaken when, in the opinion of the Engineer, the weather is so unsuitable that proper protection of the works can not be ensured.

28 CO-ORDINATION WITH OTHER CONTRACTORS

It shall be the responsibility of Contractor to co-ordinate and keep up good relations with other Contractors employed on Site by the Employer.

29 SURVEY INSTRUMENT

The Contractor shall maintain on Site the following surveying instrument in perfect conditions to enable the Engineer's Representative to check levels and lines of the work at all times.

- One Total Station Survey Unit complete with tripods, range, Pole Prisms, Coaxial Targets, Tilting Prisms and any other accessories.
- One Electronic Digital Level complete with Tripod and other Standard Accessories.
- Leveling Staves as required.
- Ranging Poles, as required.
- Two Measuring Steel Tapes, 50m long with Thermometer and other accessories.
- Five Measuring Steel Tapes, same as above but 30m long.

These instruments and water carriers will be kept at the Office of the Engineer. The Contractor shall also provide Survey Helpers and adequate supplies of Expendable Materials, such as Pencils, Rubbers, Inks, Notes Books, Drawings, Papers, Survey Pegs, Brushes and Paints as required by the Engineer / Engineer Representative. The Survey Equipment shall remain the property of the Contractor after completion of the Contract Works.

30 SETTING OUT

- 30.1 Setting out shall be in accordance with the applicable clauses of conditions of Contract.
- 30.2 The Engineer / Engineer Representative will furnish design survey data and jointly locate with the Contractor all points of intersections, tangents and basic benchmarks. The Contractor shall set construction stake establishing lines, slopes, grades etc. all other work shall be laid out from these marks and / or lines. The Contractor shall be responsible for the accuracy of all lines, slopes, grade and other survey works.
- 30.3 Temporary pillars and other monuments used in setting out shall be removed after completion of the required work.

31 WEEKLY PROGRESS REPORT AND PHOTOGRAPHS

- a) During the continuance of the works the Contractor shall submit weekly progress reports on forms as approved by the Engineer. Such weekly reports shall show the actual progress completed as of date of the report plotted against the planned scheduled as given by the Contractor at the start of work and shall be broken down so as to indicate status all activities associated with mobilization, design, material procurement, manufacture, surveys works, tests with regards to the approved work programme.
- b) When the work commences at the Site, the Engineer shall provide the Contractor with a standard report form which shall be filled in each week and submitted by the Contractor to indicate the progress of construction, and to serve as a basic for making progress payments to the Contractor. The progress indicated on the report each month shall be mutually agreed upon by the Contractor and the Engineer's Representative at the Site before it is formally submitted to avoid delays in making progress payments.
- c) The Employer and the Engineer reserve the right to coordinate the schedules of the Contractor and other Contractors working at the Site, and to adjust and / or change any and all such schedules as required during the course of construction in order to achieve a coordinated project in harmony with the completion date.
- d) Commencing after the first week of construction, and continuing every week until completion, the Contractor shall have photographs taken, where directed by the Engineer's Representative, to show progress of his work and completion of each structure of major features.

32 CONTRACTOR TO NOTIFY DELAYS ETC.

Any delay which will affect the completion of works shall be detail by the Contractor who shall state the action he is taking for effective completion of the contract programme.

The Contractor shall submit a report in respect of the various sections of the works, the Equipment in use or held in readiness, a return of labour and supervisory Staff and details of any manners arising which may generally affect the progress of the work.

The Contractor shall give a summary of the detailed progress report giving the position with regard to the agreed contract programme.

The progress report shall be set out in a format to the approval of the Engineer, and forwarded promptly so that on receipt the information contained therein is not more than ten days out of date.

If during execution of the contract, the Employer considers the progress position of any section of the work to be unsatisfactory, or for any other reason Contractors Representative should attend such meetings.

The Contractor shall prepare and submit six copies of weekly progress report to the Engineer's Representative. This report shall summarize Site activities and record the details where difficulties in maintaining the approved programme are being experienced or are likely to cause subsequent delays.

The Contractor shall also prepare and submit to the Engineer's Representative six copies of a daily activities report summarizing the main activities to be undertaken. Each day, for special activities such as tests, alignments checks etc. the Contractor shall be responsible for expediting the delivery of all materials and Equipment to be provided by him and his Sub-Contractors

33 PHOTOGRAPHS

As soon as work commences on Site, the Contractor shall provide Photographs (at least 10 to 12) of the works from positions to be selected by the Engineer or his Representative. Each Photographic Print shall not be less than 297mm X 210mm or as directed by the Engineer and shall bear a printed description, a serial number and the date when taken.

The negatives of all Photographs shall be kept at the Contractor's Site Office, numbered and will be handed over to the Employer on completion of works.

The Contractor shall provide a number of selected Photographs for submission with each copy of the monthly report as required by the Engineer. The Contractor shall also provide from time to time as and when required by the Engineer, further Photographs of the contract works to record or illustrate specific events.

34 FACILITIES FOR ENGINEER

Temporary Site Office for Engineer

The Contractor shall provide, clean and maintain Office Accommodation facilities for the Consultant Engineer Representative and his staff of appropriate area in accordance with the drawing attached including

washroom and kitchen. The Office shall be located as directed by the Engineer Representative and his prior approval.

The Consultant Engineer's Site Office shall be furnished and equipped by the Contractor with new, unused Furniture, Equipment including suitable Sanitary, Electrical etc. and necessary arrangements as per the list given below:

- a) 2 Executive desk with lockable drawers and Glass top
- b) 2 Air-Condition (1 Ton) manufacturer as recommended
- c) 2 Executive type upholstered desk chair
- d) 2 Standard Wooden Office Tables with Drawers
- e) 4 Standard Office Chairs
- f) 2 Steel Filing Cabinet (standard size)
- g) 2 Electric Ceiling Fans / Bracket Fans
- h) 2 Scientific Calculators (CASIO)
- i) 1 Electric Water Cooler (Dispenser)
- j) Office Stationery and Consumables
- k) 1 Steel Cabinets and Shelves of required size
- l) 1 Computer (i7) with complete accessories, Internet Facility and Engineering Software as required by Engineer and Computer Operator
- m) 1 Printer (Size A-4/A-3)
- n) Complete Furniture for sitting arrangements etc.

Other reasonable facilities such as, but not limited to Drawing Printing, Photocopies, Book Binding etc.

The Site Office including Fittings, Fixtures, Equipment and Furnishing shall remain the property of the Employer after completion of the works and in case the Employer does not want to retain the Site Office then the Contractor shall remove the Site Office and clear the area. The land shall be restored to its original condition.

No payment shall be made to the Contractor for the works involved under this Sub-Clause.

In case the contractor fails to fulfill the above mentioned requirements / provisions of Clause 34, compensation for the same will be adjusted from Contractor's bill.

35. Transport Facilities

Not Applicable

37. Contractor's Representative

The Contractor shall appoint an experienced Site Engineer (Professional Engineer) duly registered with Pakistan Engineering Council (PEC), who will be posted at the site of work for execution of the project properly.

The Contractor shall also depute a responsible person permanently (full-time) at site and he should be capable of receiving, and acting upon, instructions to be issued by the Engineer or Employer's representative.

The Contractor shall provide such assistance and supply such labour, materials and equipment as may be required by the Engineer's Representative and his staff to enable them to carry out their duties under the contract.

38. Security Passes

The Contractor shall ensure that all his employees and those of his sub Contractors are issued with security passes and identification cards required by Employer.

39. Visitors

The Contractor shall not allow any visitors on the Site. He shall maintain to visitor's book at site which all authorized visitors (as authorized by the Employer / Consultant) shall sign. The Contractor shall provide safety helmets and any other appropriate protective clothing for such authorized visitors for the duration of their visit.

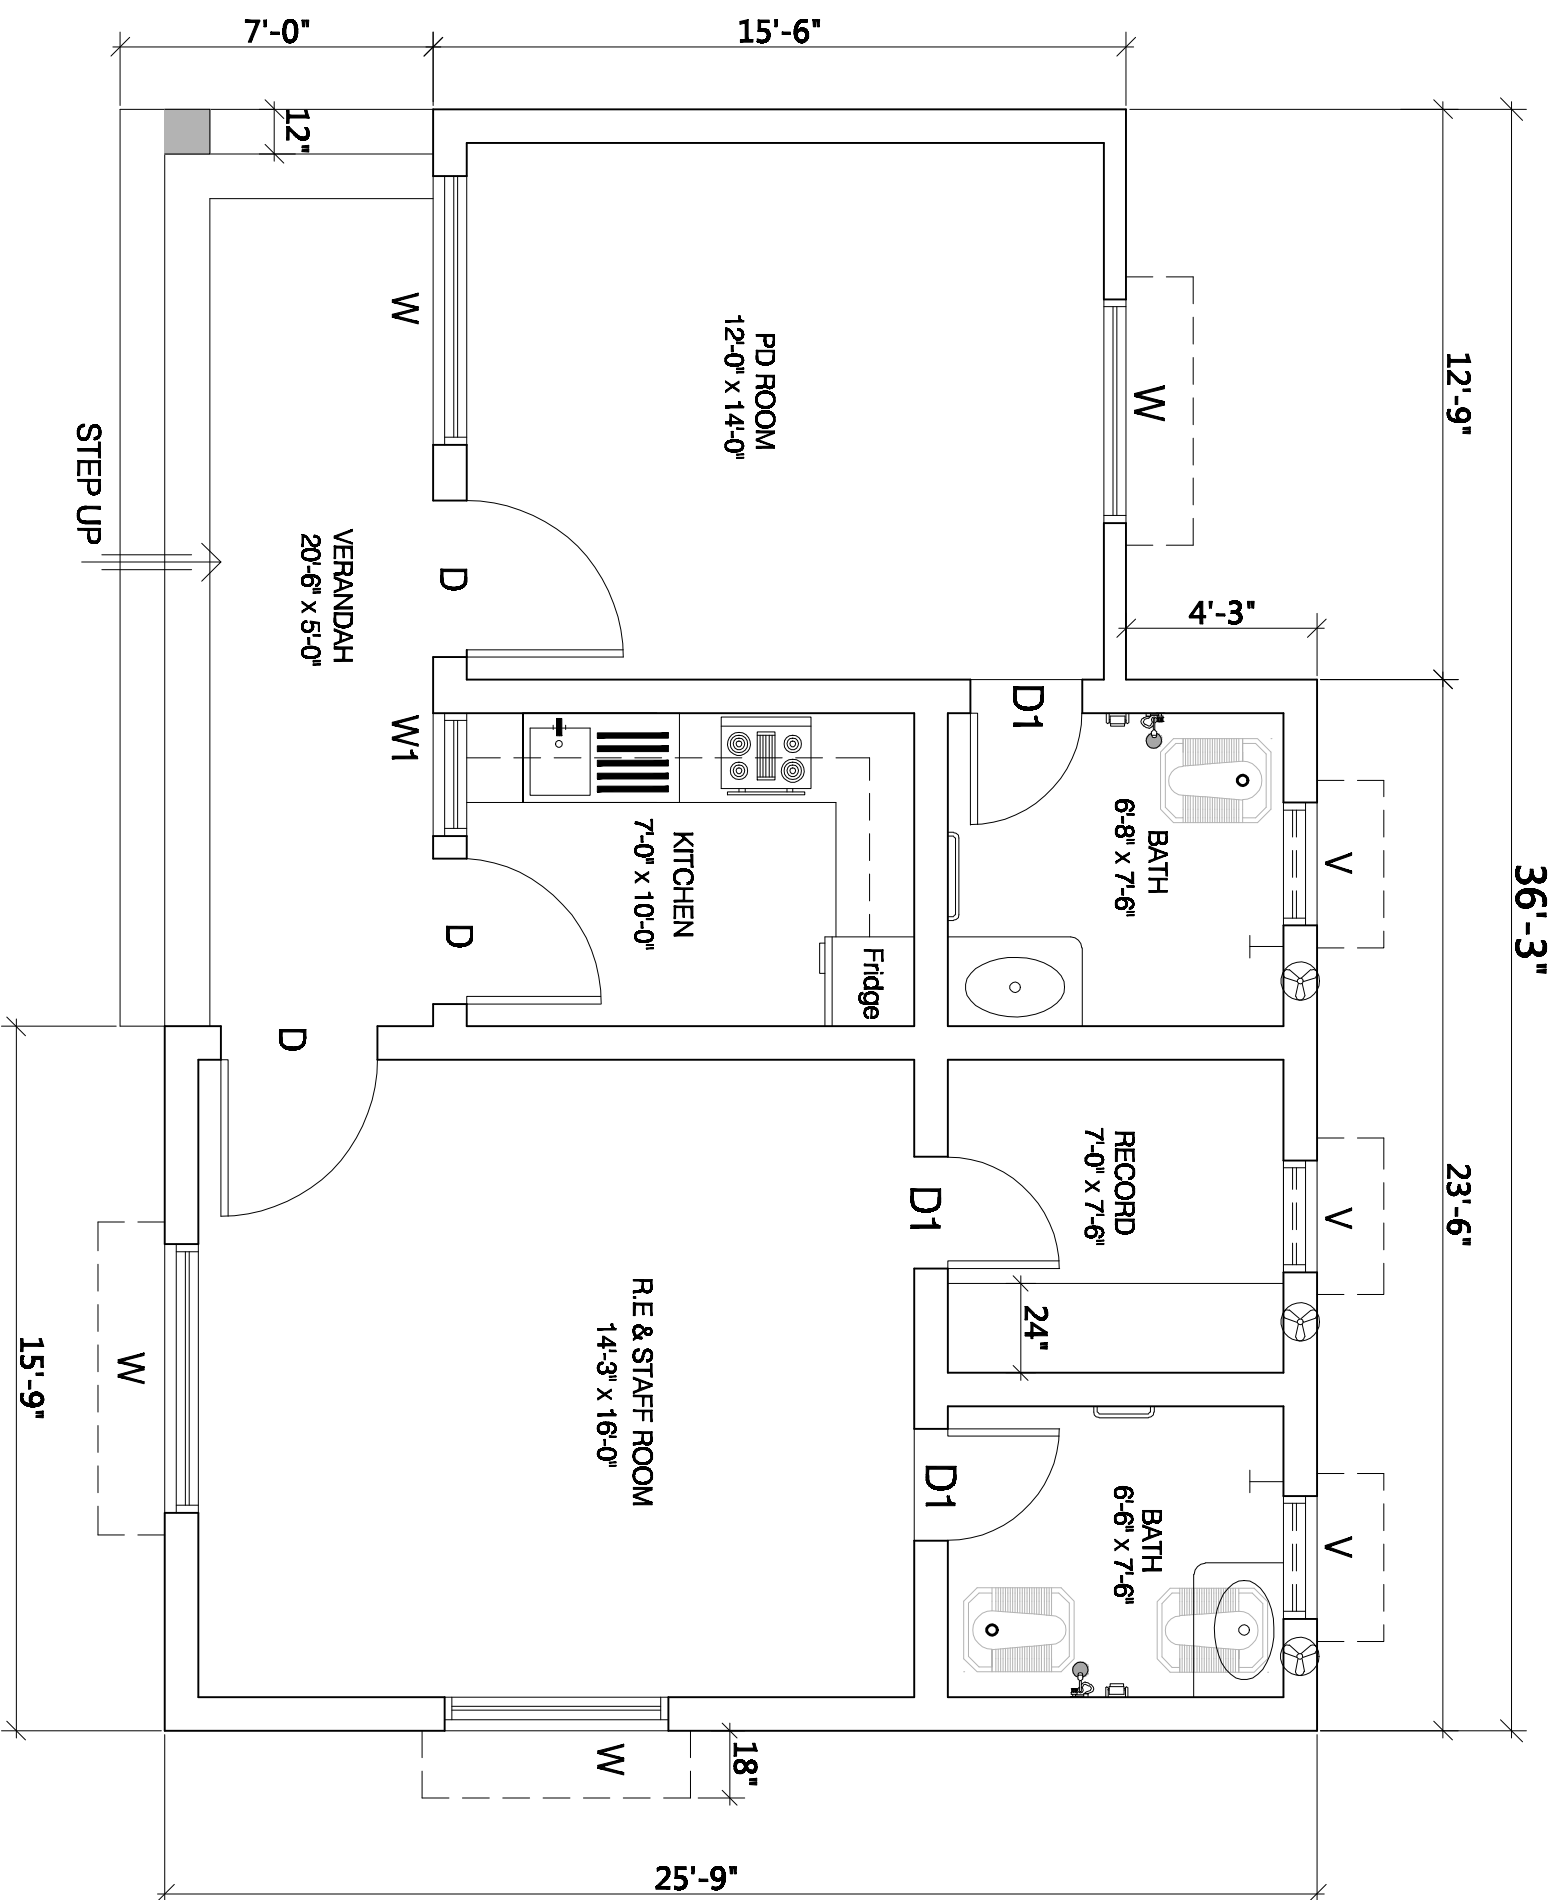

APPENDIX-A**• Desktop Computers**

Intel 8th Gen Core i7 8600, 16GB, 1600 MHz DDR4 SD RAM, 4TB 7200 RPM Hard Drive, 500 GB SSD, 16 X Max DVD / RW, Intel, NVIDEA 1660 Super, Intel 121LM Gigabit Ethernet LAN, Keyboard, Optical Mouse, Ports: 4USB 3.0 Ports, 6 USB 2.0 Ports, 1 RJ-45, 1 Serial, 1 DVI, 2 Display Ports, Internal Dell Business Audio Speaker with 3 years warranty.

- **Computer LED** i.e. ViewSonic -LED (Screen size 24 inch, aspect ratio 16:9, contrast ratio 1000:1, brightness (cd/m square, maximum resolution 1980 x 1050, viewing angle (H/V) 170 / 160 degrees, response time 5 ms, built-in- speakers, VGA Port, HDMI, Dvi-D etc.

- **HP Printers** 5200, A-3 size Printers, upto 4800 Z 1200 dpi resolution, Advance Microfine Droplet Technology, upto 17ppm in mono and 12ppm in colour, single ink technology and fast borderless photo printing upto A3+, option postscript RIP solution, USB and parallel interfaces.

- **Split Unit** manufacturer i.e. Haier HSU-18RK03/R2(SDB) wall mounted, LEA03 1.5 Ton, DC inverter, cooling capacity (BTU) 500-5600, heating capacity (BTU) 750, Power input(W)-cooling, 140-2170, power input(w) heating, 140-2650, running current(A)-cooling 4.6, running current(A) heating 1,220,50, EER 3.36 and colour white or as recommended by the Engineer.

- SCHEDULE OF DOOR & WINDOW**

------------------------------------	--	---	---

SPECIAL CONDITIONS OF CONTRACT

1. Mobilization Advance

The Contractor will be entitled to Mobilization Advance as per the discretion of the Employer after the signing of Contract against an irrevocable bank guaranteed of any schedule bank, valid and in full force from the date of issue of the bank guarantee up to the time of deduction of advance, have equaled the amount of guarantee. The advance will be given at the rate of 10 Percent (10%) of the Contract value in two stages 5% at each stage **(if approved by the Procuring Agency and Contract Documents have provision accordingly)**

The advance will be recovered from the interim payment (Running Bill) of the Contractor at the rate of Ten Percent (10%) till the amount paid to the Contractor is fully adjusted. The mobilization period shall be two weeks from the date of receipt of letter of award to the Contractor by the Employer.

2. Shop Drawings

Where nature of work of Contract makes it necessary and where specifically required by these specifications and in particulars for doors, windows, ceilings, joinery, all finishes, plumbing, electrical, mechanical, roof drainage, gas, compressed air, A/C pipes and fittings and their installation etc. Contractor shall cause his materials vendors, fabricators or sub-contractors to submit scales and full size shop drawings of his work for approval of Consultant.

Shop Drawings must be complete in every detail including provisions required of various trades, connections with other work, all cutting, fitting and drilling required and any / all other necessary information in accordance with usual and customary trade practice as particularly required to be submitted to Consultants for approval.

It is to be understood that prior to manufacture, fabrication or installation of work under contract is carried forward, shop drawings shall be prepared and three copies of each drawing shall be submitted to the Consultants who will within two to three weeks after receipt thereof send one copy to the Contractor marked (I) "Approved", (II) "Approved Except as Noted" or (III) "Returned for Correction". The notations approved and Approved Except as Noted shall authorized the Contractor to proceed with the fabrication of materials and equipment covered by such drawings subject to the correction, if any indicated thereon. When prints of drawings have been returned for correction the Contractor shall make the necessary revision on the drawings and shall re-submit prints for approval in the same manner as per new drawings. Every revision made during the life of the contract shall be shown by number, date and subject in a revision block.

So far as practicable, each drawing shall bear a cross reference note referring to sheet number or numbers of Consultants' drawings showing same work in order to facilitate checking of shop drawings in Consultants' Office and their prompt return to Contractor.

It is Contractor's obligation and responsibility to check and verify all dimensions and be fully responsible for them and for their coordination in connection with work. Contractor is responsible for submission of vendor's and / or fabricators shop drawings in proper rotation that is where the shop drawings of trade are dependent

upon shop drawing of another trade, proper shop drawing shall be submitted first. No extension of time in respect to final completion date of work will be granted to Contractor because of failure to have any shop drawings in ample time to allow for checking and approval.

All shop drawings submitted by Contractor shall bear stamp of approval of Contractor as evidence that drawings have been checked by Contractor. Any drawings submitted without this stamp of approval will be considered as not having been submitted.

Each consignment of shop drawings submitted for approval must be accompanied by a letter of transmittal itemizing applicable work and number of the drawings. Each drawing must be marked with name of building and each series numbered consecutively for ready reference.

Contractor shall obtain all points from suppliers / manufacturers and others as necessary for construction purposes and the coordination of other trades and distribute them to all parties concerned.

No work being executed in any instance prior to approval by Consultants of any of respective shop drawings.

Consultants' approval, however, shall not relieve Contractor of responsibility for errors, as Consultants' approval of shop drawings is only general and is not intended to serve as a check and does not relieve Contractor from furnishing the materials and performing the work as required by drawings and specification.

3. As-Built Drawings

The Contractor shall at all times keep on the site one copy of all drawings and approved samples together with copies of all public safety codes and relevant standards applicable to the works. All such material shall be made available to the Engineer.

In addition, the Contractor shall, at all times, keep on site a separate set of prints on which shall be noted neatly, accurately and promptly site work progresses all insignificant changes between the work shown on the drawings and that which is actually constructed.

At the completion of works, the Contractor shall at his expense, supply to the Engineer six copies and two CD'S of all drawings amended to comply with work "As Built". The Contractor shall provide in the same format as the original drawings and additional drawing required to record the work.

4. Defective Work Noticed After Payment to the Contractor

If it shall appear to the Consultants that any work has been executed with unsound, imperfect or unskilled workmanship or with materials of any inferior description, or that any materials or articles, provided by the Contractor for the execution of the work are unsound or of a quality inferior to that contract or otherwise not in accordance with the Contract, the Contractor shall on demand in writing from the Consultants specifying the work, materials or articles completed or notwithstanding that the same may have been passed, certified and paid for, forthwith rectify or remove and reconstruct the work so specified in whole or in part, according to the requirement at his own charge and cost. No additional and extra payment will be made for this. In the event of

his failing to do so, no payments shall be made for the same till the defect is rectified as per instruction of the Consultants and in cases where rectification or removal of defects or material is not possible and work can be accepted otherwise the rates for such items will be reduced, in such cases the decision of the Consultants will be final and binding on the Contractor.

5. Re-Measurement of Work

After checking of the bill by the Consultant, if at any stage it is observed that the measurements were wrong or doubtful then the same will be re-measured and the measurement corrected. The Contractor will be informed the date and time for joint measurement. If the Contractor or his representative does not attend, then the measurement taken by the Consultant will be taken as correct and final.

6. Contractors Representative / Agent

A competent agent registered with PEC as professional Engineer and duly authorized through a power Attorney whose qualifications and appointment shall be approved in writing by the Consultants [which approval may at any time can be withdrawn] is to be constantly on the works and shall give his whole time to the Superintendence of the same. If such approval shall be withdrawn by the Engineer the Contractor shall as soon as is practicable remove the Agent from the site and shall not thereafter employ him again on the site in any capacity and shall promptly replace him by another agent approved by the Consultant. The agent shall receive on behalf of the Contractor directions and instructions from the Consultants or the representative of the Consultants. The approval by the Consultant of the qualifications and appointment of the Contractors'

representative for Superintendence of the work shall not relieve the Contractor of any of his duties or responsibilities under the contract.

7. Contractors Representative

The Engineer shall be at liberty to object to and require the Contractor to remove forthwith from the works any person provided by the Contractor who in the opinion of the Engineer, misconduct himself or is incompetent or negligent in the proper performance of his duties or whose presence on site is otherwise considered by the Engineer to be undesirable and such person shall not be again allowed upon the work. Any person so removed from the work shall be replaced as soon as possible.

8. Approved Manufacturers List

A list of approved manufacturers is attached. The list is for guidance only. Other alternative manufacturers can also be considered provided they meet the criteria and specifications of the required product. However preference will be given to products obtained from the approved manufacturers.

9. Samples

Where required in specifications as otherwise required by the Consultant samples of items of fittings, hardware, electrical and mechanical materials etc; to be applied in the work, shall be submitted by Contractor for approval to the Consultant before the Contractor takes the work in hand.

Samples of all materials submitted for approval to the Consultant shall be supplied in triplicate, each sample bearing a neatly typed label bearing the Contractor's name, name of sub-contractor or producer of materials, kind, quality and finish or formula where applicable [as in the case of liquids or paints] intended to be used, in the project with date of submission. Written approval shall be obtained prior to processing or fabrication of any materials for which samples are submitted and all finished work shall conform to the characteristics of approved samples. In no instance shall approval of a sample relieve the Contractor of the responsibility for full compliance with any specification requirement.

The fact that materials have been accepted at shop or wherever the work is in preparation or progress shall not prevent its rejection under provisions hereof at the work sites either before or after installation. All samples shall be supplied by the Contractor at his own cost, for approval as directed.

Prior to the start of the application of any paint and or / finish treatment otherwise, the Contractor shall apply samples of the required finish treatment to specific representative walls and ceiling surface or other areas or surfaces where indicated by the Engineer representative. The size to be determined by the Engineer's representative / Client.

10. Insurance

The Contractor shall be responsible for obtaining a Contractors all risks policy from an insurance company acceptable to the Employer against risks to the works and shall make good at his own cost, all losses or damages whether to works themselves or to the lives, persons, whether under the Workmen's Compensation Act of Third

Party Risk or property of others from whatsoever cause arising out of or in connection with the works either during the progress of the works or during the period of maintenance provided by this Contract.

The Contractor shall whenever required, produce to the Employer / Consultant the policy or policies of insurance and the receipt for the payment of the current premiums. All works together with material and plant for incorporation therein for which Contractor will be responsible under the terms of Contract. The insurance shall cover the period from the date of commencement until the date the final taking over certificate is signed, and shall also cover during the period of maintenance, loss or damage arising from a cause for which the Contractor is held responsible, whether the cause is detected prior to commencement of the period of maintenance.

Accident or Injury to Workmen

The Employer / Consultant shall not be liable for or in respect of any damages or compensation payable according to the provision of the Workmen's Compensation Act 1923 and any other laws in force in respect or in consequence of any accident, injury or death arising in connection with this contract to any workman or other person in the employment of the Contractor or any sub-contractor and the Contractor shall indemnify the Employer against all such damages, compensation, claims, demands, proceedings, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

LIST OF APPROVED MANUFACTURERS / SUPPLIERS

All equipment and material provided under this contract shall be procured from the following manufacturers / suppliers only.

CIVIL WORK

S. NO	NAME OF MATERIAL	NAME OF MANUFACTURER / SUPPLIER
C-01	Cement	Lucky, Attock (Falcon), Bestway, DG Cement and Pakland
C-02	White Cement	Anwarzeb or approved equivalent
C-03	Reinforcement	Amreli Steel, Razzaque & Nawab
C-04	Testing Laboratories	NED, PCSIR, Karachi Shipyard Engineering & Mehran University
C-05	Ceramic Tiles	Master, STILE, EMCO, PORTA, National Tiles
C-06	Marble Tiles	Boticina, Fancy, Tavera, Chippi or approved equivalent
C-07	Terrazo Tiles	Noor, Al-Muhammad Tiles & Concrete Technologies
C-08	Paint	ICI, Berger, Dulux, Jotun, Nelson, Kansai
C-09	Aluminum	Alcop, Pakistan Cables & A.C.P or approved equivalent
C-10	Door Shutter	Interwood & Sterling or approved equivalent
C-11	Glass	Imported make i.e. Jeddah, Dubai, Prince Glass & Ghani Glass
C-12	Tinted Glass	Imported make i.e. USA and Belgium or approved equivalent
C-13	Lock	Imported make i.e. Japan, Germany, UK, Italian and Mandali
C-14	Expansion Joint Chemical	Zahabya's & Sikka or approved equivalent
C-15	Composite Doors	AVT & Homezone or approved equivalent
C-16	Porcelain Tiles	Imported make, Rocka (Dubai), Malaysia
C-17	Granite	Salim Industries, Imported or as approved
C-18	Facing Block	Envicrete or Equivalent, Stone Tiles, Glazed Tiles
C-19	Paver	Envicrete, Hubcrete, Magnacrete & Nazircrete

PLUMBING WORK

S. NO	NAME OF MATERIAL	NAME OF MANUFACTURER / SUPPLIER
P-01	Ceramic Fixture	ICL, ASIF, PORTA, Karamcera
P-02	G.I. Pipes	IIL, Steellex, Jamal Pipes, Bashir Pipe
P-03	G.I. Pipe Fittings	HE China and TG China
P-04	Cast Iron Pipes	CME, TIPPU & Singer or approved equivalent
P-05	RCC Pipes	Razia & Dawood or approved equivalent
P-06	PVC Pipes	AGM, DADEX, BEETA and Jeddah Pipes
P-07	uPVC Pipes	Dadex, AGM, LASSO, Jeddah and Pak Arab
P-08	PPRC Pipes	AGM, DADEX, KELEN, MARLEY (U.K) or approved equivalent
P-09	C.I. Pipes & Fittings	Al-Pine Steel (Pvt.) Ltd. Sandal Engineering, Teepu Supreme
P-10	Bathroom Fittings	Master, SONEX, K.S or approved equivalent
P-11	Water Cooler	MECO and Sunny or approved equivalent
P-12	Geyser	Singer, Skyline, Skyflame or approved equivalent
P-13	Fiber Glass	Master, TINO, Popular or approved equivalent
P-14	Kitchen Sinks	Super Asia & Atlas or approved equivalent
P-15	Sanitary Fittings	Master, Faisal & Perfect Industries. or approved equivalent
P-16	Valves	KITZ-JAPAN or approved equivalent
P-17	Gas Water Heaters	Singer, Corona, Adnurak or approved equivalent
P-18	C.I. Covers with Frame Floor Drains & Floor Cleanouts	Al-Pine Steel (Pvt.) Ltd & Sandal Engineering

ELECTRICAL WORK

S. NO	NAME OF MATERIAL	NAME OF MANUFACTURER / SUPPLIER
E-01	PVC Pipes & Accessories	Jeddah, Prince, Galco & Pak Arab
E-02	Wires & Cables	Pioneer Cables Ltd, Pakistan Cables, Fast & AGE
E-03	Switches & Sockets	Linker, Clipsal, MK, Busch, Milano, Legrand, ABB, HILIFE & Orange
E-04	Light Fixtures	Philips, Zainlight with Philips components, Bega & Sunlight, Pierlite or equivalent
E-05	Distribution Boards, Main & Sub	Zelon, Unique, Babar Bros, PEL & Tarasaki, Shinader, ABB, Nadeem & Co. or approved equivalent
E-06	Main Panel	Siemens, Elmatech, Electromech, Alstom & Babar Bros, Shinader, ABB, Nadeem & Co. or equivalent
E-07	Back Boxes, Pull Boxes, Floor Boxes	Busch, Milano, Legrand, ABB, Laeeq Sons, Pesco & Zeltec
E-08	Emergency Lights	Local or as approved
E-09	Circuit Breakers	ABB, Terasaki & MG, Shinader or approved equivalent
E-10	Fans	Pak Fan, GFC, Millat Climax & F.G or approved equivalent
E-11	Control Fuse	Tarasaki, Shinader, ABB
E-12	MCCBS & MCBS ELCBS	Marlin Gerlin (MG) (France), Siemens (Germany) ABB & (Italy), Terasaki, Shinader or approved equivalent
E-13	PVC Conduit & Accessories	Beta & Tesco, Galco, PAK ARAB
E-14	Steel Conduit & Accessories	hilal Industries, ILL, Jamal, Pioneer & Bashir
LOW VOLTAGE SYSTEM		
E-15	Data / Voice Cables CAT-6	Clipsal (Australia) or approved equivalent 3M, Shinader
E-16	Face Plate with CAT-6 I/O	Clipsal (Australia) or approved equivalent 3M, Shinader
E-17	Telephone Cables	Pakistan Cables, Siemens (Germany), Pioneer Cables, Comscope (USA) & 3M
E-18	Telephone Junction Box	S.A. Electric, N.R. Industries, Misto Industries
E-19	Fire Alarm System	ZITON (UK), ZETA (UK) & GENT (UK)
